ORDER

The complainant alleged two superior court judges and one superior court commissioner made false statements and committed perjury at hearings.

The responsibility of the Commission on Judicial Conduct is to impartially determine if the judicial officers engaged in conduct that violated the provisions of Article 6.1 of the Arizona Constitution or the Code of Judicial Conduct and, if so, to take appropriate disciplinary action. The purpose and authority of the commission is limited to this mission.

After review, the commission found no evidence of ethical misconduct and concluded that the judicial officers did not violate the Code in this case. Accordingly, the complaint is dismissed in its entirety as to all three judicial officers, pursuant to Rules 16(a) and 23(a).

Judicial Conduct Commission

2016-000

I am filing this complaint against Court for the following reason. He signed a document in the year of a hearing he never presided. The hearing child support establishment held in the , was never held and it was to be presided by

Impersonated a different named for but on the document replacement of they have been putting a different name with a spanish surname that never was at the hearings for child support establishment petition.

Also the case had never been adjudicated until But the court papers always had writing saying that it had. Now I have a letter from that says it was just adjudicated after but the same letter from states that there was a deliquent Notice for waiver of court fees and defferal on for "FullEmergencyCustody:WithoutNotice" on this date given by Judge and the domestic case had never been finished until so their statements are contradicting themselves and are corrupting the whole county can you please look into this matter before it get out of hand. If there is an indictment or grand Jury against the public elected officials I can back up what I say Since Judge and multiple attorneys, and have all lied or said false satements under oath and have committed perjury at nearings.

This letter is just to have a document filed against the multiple corrupt judges and to also preserve my constitutional rights as an TrueAmericanMexican. Your committee can decide whatever you want as you always have I just want you all to decide on your oath to protect all American citizens in Arizona from abuse of power of a few public elected officials doing wrong.

Thank you and have a great day
