COMMISSION ON JUDICIAL CONDUCT

Disposition of Complaint 16-158

Judge:

Complainant:

ORDER

The complainant alleged multiple judicial officers violated the Code of Judicial Conduct.

The responsibility of the Commission on Judicial Conduct is to impartially determine if the judicial officers engaged in conduct that violated the provisions of Article 6.1 of the Arizona Constitution or the Code of Judicial Conduct and, if so, to take appropriate disciplinary action. The purpose and authority of the commission is limited to this mission.

The commission does not have jurisdiction to review the legal sufficiency of the judicial officers' rulings. In addition, the commission found no evidence of ethical misconduct and concluded that the judicial officers did not violate the Code in this case. Accordingly, the complaint is dismissed in its entirety as to all seven judicial officers, pursuant to Rules 16(a) and 23(a).

Commission member Peter J. Eckerstrom did not participate in the consideration of this matter.

2) I believe all of the judges I have previously listed violated the Commission's ethics policy and were grossly negligent towards myself and others concerning their financial and business obligations towards " " organizations. This in connection with their lack of knowledge for being a " in handling religious and business " that " " the Constitution. I would like all of these judges stripped of their judgeships to teach a lesson that I believe if you are a professional that conduct and ethics are above all else this is in relation to this case. The people deserve to know if these judges are above reproach ethically and if not I wish them investigated

Sincerely,
