**ORDER**

The complainant alleged a superior court judge made improper rulings in a custody matter.

The responsibility of the Commission on Judicial Conduct is to impartially determine if the judge engaged in conduct that violated the provisions of Article 6.1 of the Arizona Constitution or the Code of Judicial Conduct and, if so, to take appropriate disciplinary action. The purpose and authority of the commission is limited to this mission.

The commission does not have jurisdiction to review the legal sufficiency of the judge's rulings. In addition, the commission found no evidence of ethical misconduct and concluded that the judge did not violate the Code in this case. Accordingly, the complaint is dismissed in its entirety, pursuant to Rules 16(a) and 23(a).

Commission member Anna Mary Glaab did not participate in the consideration of this matter.

On \_\_\_\_\_ we had a child custody hearing it was the hearing was suppose to be about jurisdiction and emergency custody for \_\_\_\_\_ a week and a half. The mother almost killed her kids by \_\_\_\_\_ with the kids inside, mom had a warrant for her arrest because she violated a restraining order that \_\_\_\_\_ had on mom because she had harass and threaten \_\_\_\_\_ mom got arrest on \_\_\_\_\_ bonded out on \_\_\_\_\_ The conditions of the release was Not to have no contact with the kids or be around them on Monday \_\_\_\_\_ the mom ( \_\_\_\_\_ ) went to another county in \_\_\_\_\_ to file for emergency custody and got granted dont know <sup>how</sup> with criminal pending charges and violating the restraining order. Attorney explained Judge \_\_\_\_\_ that she had pending charges and the preliminary hearing was set for \_\_\_\_\_ He didnt care about that order, he tried to call the Judge but was not able to contact the Judge. The witness were there to speak about how mom had abandon the child and gave him to \_\_\_\_\_ ( \_\_\_\_\_ ) who lives in \_\_\_\_\_ the \_\_\_\_\_ went back

and fourth to he lives with mom on . but for the last months in because left the baby to

and told her that the baby was annoying and could not handle him she was . and he was better off with her. ( ) The mom was and abusive to the kids. so we never got to hear the jurisdiction part or the emergency custody for and still Judge ruled for mom after hearing the violations, pending charges, I think that the Judge should have asked where the kids were who was taking care of them and allow them to stay where they were they were safe!! he was placing the kids with an abusive mom and go to an environment they've never known never been and her side of the family the kids have never met, by removing kids like that you are mentally harming them. He ~~has~~ didn't have the best interest of the kids, we almost had kids killed because the mom always harassed and threaten the family telling us that she was going to take the kids to ( ) and disappear them and we will never find them. and in the hearing Judge says that he doesn't have the details on the case if that was the case he should have ruled on the mom side, Judge is a bad Judge and everybody that I spoke with said that Judge doesn't care about the kids and that he will never rule on our side, our family has no history and the mom's family including mom has . Please review my complaint!! Judge should be removed!! ~~and~~ he's not abiding the the oath that he pledged! everything that I'm saying its true! if I have to get the recording on the hearing I will!!! Please ~~do~~ do not dismiss this Complaint!! He sides for the bad people instead of the good people!!!
