ORDER

The complainant alleged a superior court judge was biased against her, engaged in improper demeanor, and failed to make proper rulings regarding child support.

The responsibility of the Commission on Judicial Conduct is to impartially determine if the judge engaged in conduct that violated the provisions of Article 6.1 of the Arizona Constitution or the Code of Judicial Conduct and, if so, to take appropriate disciplinary action. The purpose and authority of the commission is limited to this mission.

The commission does not have jurisdiction to review the legal sufficiency of the judge's rulings. In addition, the commission found no evidence of ethical misconduct and concluded that the judge did not violate the Code in this case. Accordingly, the complaint is dismissed in its entirety, pursuant to Rules 16(a) and 23(a).

I have had since at first she seemed
 just but as time went on she became frustrated + judge +
 unjust. My son ran away from his dad's home + we
 had court + she still ruled i pay child support as she
 said the child had not been ranaway for long. As i filed
 Proceedings in my paperwork was denied by her until i
 got myself an attorney. He filed the correct paperwork + i was
 seen before this judge again. My son returned to his dads + ran
 again at that time my attorney told me to take my son to
 + to the police to report him ~~no~~ no longer he was a runaway which
 i did. in the meantime his dad filed custodial interference in
 which she agreed was custodial interference but my son ranaway
 from his dads weeks at a time, with me not knowing where
 he was when he called me in i went to pick him up
 + i've had him every since. She ruled in for me to have
 temporary custody of my son but still wouldnt rule on stopping
 the child support, even though i have my son. So for months
 i've been paying child support who has never been in his dads
 care since

everytime i see her, she speaks to me disrespectfully she ask me questions & when i go to answer she speaks over me. I feel i havent been treated fairly or just. AS a mother i feel violated of my rights. She rolls her eyes, yells, speaks over me, shes rude, & my attorney says she bygones
 My case has finally been moved to

but i still have to see her again on custodial interference & i will bring the child support again to see if she will stop the child support since she gave me physical custody of my son & his dad cant see him upto 2 days so my

son can get some intense therapy. I would like a judge that will give me a fair chance & has a heart & rules righteously & on the truth. Child support should be & should've stopped immediately. She seems to be a bully, & she have to give people respect, I hope thank you
 im not penalized for this complaint.
