**ORDER**

The complainant alleged a superior court commissioner was biased against her son and made improper evidentiary rulings in a criminal case.

The responsibility of the Commission on Judicial Conduct is to impartially determine if the commissioner engaged in conduct that violated the provisions of Article 6.1 of the Arizona Constitution or the Code of Judicial Conduct and, if so, to take appropriate disciplinary action. The purpose and authority of the commission is limited to this mission.

The commission does not have jurisdiction to review the legal sufficiency of the commissioner's rulings. In addition, the commission found no evidence of ethical misconduct and concluded that the commissioner did not violate the Code in this case. Accordingly, the complaint is dismissed in its entirety, pursuant to Rules 16(a) and 23(a).

 tinue, also to produce evidence that had "no"  
 relevance to the case. When my son's attorney,  
 tried to intervene with what the prosecutor was  
 saying, he  
 always say, "Over-ruled, or Sustained. He,  
 did " permit my son's  
 attorney, to submit the ( ) most important piece  
 of evidence, the fact that those ( ) police  
 officers, had criminal records. One officer had a  
 record for " " If he ( )  
 had allowed that evidence by the  
 " my son's attorney, the verdict outcome  
 would be different, or over-turned. He, ( )  
 also gave " jury instructions;
