

State of Arizona
COMMISSION ON JUDICIAL CONDUCT

Disposition of Complaint 16-316

Judge:

Complainant:

ORDER

The complainant filed complaints against a justice of the peace, two municipal court judges, and a superior court commissioner, all of which fail to allege a specific act of judicial misconduct.

The responsibility of the Commission on Judicial Conduct is to impartially determine if the judicial officers engaged in conduct that violated the provisions of Article 6.1 of the Arizona Constitution or the Code of Judicial Conduct and, if so, to take appropriate disciplinary action. The purpose and authority of the commission is limited to this mission.

The commission does not have jurisdiction to review the legal sufficiency of the judicial officers' rulings. In addition, the commission found no evidence of ethical misconduct and concluded that the judicial officers did not violate the Code in this case. Accordingly, the complaint is dismissed in its entirety, pursuant to Rules 16(a) and 23(a).
