**ORDER**

The complainant alleged three appellate court judges improperly denied a motion to supplement his appeal.

The responsibility of the Commission on Judicial Conduct is to impartially determine if the judicial officers engaged in conduct that violated the provisions of Article 6.1 of the Arizona Constitution or the Code of Judicial Conduct and, if so, to take appropriate disciplinary action. The purpose and authority of the commission is limited to this mission.

The commission does not have jurisdiction to review the legal sufficiency of the judicial officers' rulings. In addition, the commission found no evidence of ethical misconduct and concluded that the judicial officers did not violate the Code in this case. Accordingly, the complaint is dismissed in its entirety, pursuant to Rules 16(a) and 23(a).

Commission member Margaret H. Downie did not participate in the consideration of this matter.

Dear :

I am writing you to formally file a judicial complaint against the  
following judges: , and

These judges were informed of the fact that the prosecution in  
filed an unsigned hearing in the  
. As you can see through the denial issued by the panel of  
judges, they do not make an attempt to address the core issue - the prosecutor  
is filing fraudulent documents in a case to give appearances of validity.

In addition, the panel of judges in an attempt to sweep this issue  
under the rug, expanded the scope of a statute. Therefore, as this investigation  
evolves, into misconduct on a county level, I ask this panel to fully investigate  
misconduct by these judges in a blatant attempt to cover up improprieties by  
the prosecution.

Sincerely,
