**ORDER**

The complainant alleged a superior court judge improperly denied his request for a new attorney in his criminal case.

The responsibility of the Commission on Judicial Conduct is to impartially determine if the judge engaged in conduct that violated the provisions of Article 6.1 of the Arizona Constitution or the Code of Judicial Conduct and, if so, to take appropriate disciplinary action. The purpose and authority of the commission is limited to this mission.

The commission does not have jurisdiction to review the legal sufficiency of the judge's rulings. In addition, the commission found no evidence of ethical misconduct and concluded that the judge did not violate the Code in this case. Accordingly, the complaint is dismissed in its entirety, pursuant to Rules 16(a) and 23(a).

~~denied me my right to change counsel base on his own~~  
~~personal feeling of the counsel in question, on~~ (check min entry)  
 after I informed him me and my attorney have no commu-  
 nication what so ever, on that my attorney was directed by another  
 judge to file a set motion to remand my grand jury, the lawyer inform  
 that he didnt do it because he didnt feel it was  
 necessary, I informed that my attorney hasnt done  
 anything in my case for me; not sent me my police report or  
 grand jury indictment, nor file a motion to reduce my bond, he  
 lie to me about putting an investigator on my case etc, I have  
 no information on why im being held! he dont answer my call,  
 respond to my letters nor come visit me to keep me informed on my  
 case, stated he doesn't have to do any of those  
 things, and that no attorney does those things, he went on to say that  
 he think my attorney is the best attorney for me and he's going to keep  
 him on my case. I still haven't recieved any paperwork, nor do  
 me and my attorney talk. I will fight to get this judge off my case.  
 Base on his business toward my case and my person, it violates  
 my right to impartial judgement / due process of law.
