

State of Arizona
COMMISSION ON JUDICIAL CONDUCT

Disposition of Complaint 17-033

Judge:

Complainant:

ORDER

The complainant alleged two superior court judges were corrupt.

The responsibility of the Commission on Judicial Conduct is to impartially determine if the judges engaged in conduct that violated the provisions of Article 6.1 of the Arizona Constitution or the Code of Judicial Conduct and, if so, to take appropriate disciplinary action. The purpose and authority of the commission is limited to this mission.

After review, the commission found no evidence of ethical misconduct and concluded that the judges did not violate the Code in this case. Accordingly, the complaint is dismissed in its entirety, pursuant to Rules 16(a) and 23(a).

Commission member Margaret H. Downie did not participate in the consideration of this matter.

She is still pulling strings to keep me locked up by controlling these corrupt attorneys that → keep getting appointed who have no honor yet also integrity by having them cover up the truth and violations of my rights as well as how she knowingly sent someone innocent to prison.

She has spent all these years telling people to take responsibility for their actions yet she's not woman enough to take responsibility for her own and what she allowed the corrupt detectives to do right in front of her face!

She keeps pulling strings to punish me yet she's too much of a corrupt coward to punish those who have and continue to make her look like a fool.

She has no integrity or honor. Because when justice came to show she bowed down to the devil and made herself corrupt. Great example to lead by.

So instead of her putting a stop to all this corruption and do what's right; she continues to pull strings to keep someone innocent of these crimes locked up! Bravo!

Tell her to leave me alone!
Take responsibility for her actions, or lack of them. And stop pulling strings with my corrupt attorneys by having them sell me out!

Let the record reflect that
is going to retaliate
against me because she's not woman
enough to rebuke those whom made a
fool out of her.

Sincerely

Her and are in cohorts
with each other, to cover up the
numerous violations of my rights
and how the courts intentionally
knowingly sent someone innocent to
prison! She is having my corrupt
attorney cover up the truth and
then when → file a motion to
Order my attorney to do his job
she refuses to take it into
consideration as if an ex parte motion
supersedes my constitutional rights!

Mind you, see me filing these
complaints, is going to
retaliate against me. Because none
of these judges are man or woman
enough to punish or rebuke these
corrupt cops and prosecutors whom have
made a fool out of them.

All → asked is Order
my corrupt attorney not to file anything
without going over it with me his client
first! How is this so much?
Because she wants him to file a meal

because if he was to file a
with all the issues
requested the corrupt cops and prosecutor
would go to prison, so she has not
the courage to expose the corruption and
violations of my rights.

instead, she wants him to file
a meal, so she can demand
down and say, "Oh there isn't anything."

It is a true shame that judges
have no integrity, morals or honor
anymore. Truly, truly, truly.

Please tell her to stop having my
corrupt attorney cover up the many,
many, many violations of my rights.

If she doesn't have the courage to
do what's right then step off.

Sincerely
