Disposition of Complaint 17-062

---

Judge:

Complainant:

**ORDER**

The complainant alleged a superior court judge made improper rulings in a family law case.

The responsibility of the Commission on Judicial Conduct is to impartially determine if the judge engaged in conduct that violated the provisions of Article 6.1 of the Arizona Constitution or the Code of Judicial Conduct and, if so, to take appropriate disciplinary action. The purpose and authority of the commission is limited to this mission.

The commission does not have jurisdiction to review the legal sufficiency of the judge's rulings. In addition, the commission found no evidence of ethical misconduct and concluded that the judge did not violate the Code in this case. Accordingly, the complaint is dismissed in its entirety, pursuant to Rules 16(a) and 23(a).

**COMPLAINT AGAINST A JUDGE**

Name: \_\_\_\_\_ Judge's Name: \_\_\_\_\_

**Instructions:** Use this form or plain paper of the same size to file a complaint. Describe in your own words what you believe the judge did that constitutes judicial misconduct. Be specific and list all of the names, dates, times, and places that will help the commission understand your concerns. Additional pages may be attached along with copies (not originals) of relevant court documents. Please complete one side of the paper only, and keep a copy of the complaint for your records.

Please verify the details of this case and the fact that I was separated by \_\_\_\_\_ for my ex husbands lack of disclosure and the things he was hiding. I was separated for financial accounting of my rentals in backdated to \_\_\_\_\_ by \_\_\_\_\_ I told my attorney this and the judge was offered my credit report showing the rental property mortgages in my name. I also had a tax issue from a missing return that had not yet corrected I have what an \_\_\_\_\_ judge called a "golden letter" that proves \_\_\_\_\_ was working on that situation in \_\_\_\_\_ then I had that hearing I requested in \_\_\_\_\_. Then finally I was offered time to get my returns in without my rental information. So I did and have accounted and became current other than the missing return that created the tax lien.

This judge gave my ex husband control of my properties in \_\_\_\_\_. I believe she should have further investigated the separation she mentioned in her own paperwork available online. Case but instead she left \_\_\_\_\_ in control of the properties and said there was no good cause so many times I can't even remember how many. I am not actually an attorney, just forced to be in this situation.

If anyone can find the recordings if any were done in \_\_\_\_\_ they would find that the lies about all bills being paid on time were lies. Since that time

\_\_\_\_\_ where the property is still in limbo and \_\_\_\_\_ are all victimized. I have received an email that shows he plans to do nothing about the rental with no heat being supplied and the lies about the cease and desist that was sent to me to keep my out of my own home and I was threatened with arrest for attempting to work with \_\_\_\_\_. \_\_\_\_\_ also stated in court \_\_\_\_\_ that he had not received the listing papers to sell the properties. I have emails showing correspondence with me from both real estate agents the one \_\_\_\_\_ and the one \_\_\_\_\_ the one \_\_\_\_\_ shows that he put her on hold at least twice to keep the properties from being sold as the judge had ordered. Uploaded I believe for your convenience in this case just LOOK!!! Or I again will supply it, but my phones, fax and internet are being disconnected friday because I am broke from all these lies and deception.

My ex husband had threatened to turn his federal tax evasion scheme on me approximately \_\_\_\_\_ months ago, reported to \_\_\_\_\_ police department I may have a copy of the report if they lost it since things never seem to be done to stop any of this I have started to keep copies as I have no idea how many people are involved with this apparent fraud situation or any idea why nothing is ever done about it. I don't care if she is a judge, things should not be done like this. I had even proven the lies in the cease and desist which referred to me having tried to turn off his electric. That was so far from true that even issued a letter explaining that it was switched over to \_\_\_\_\_ name in \_\_\_\_\_ with his permission as I understand and there should have been approximately a \_\_\_\_\_ credit to me. Try to find any actual credits to me other than the less than \_\_\_\_\_ given to me as a credit for rentals. The paperwork I have seen for this would appear the court somehow may be blind explaining not being able to read the Hud 1 offered by a licensed \_\_\_\_\_ title company for \_\_\_\_\_ with amounts showing I had to pay city rental taxes and back county taxes and there was no insurance found on the property. And it was sole and separate property owned by me closed before this court action ever even began. And he was paid for the repairs already, however had charged them to credit cards \_\_\_\_\_ also expected me to pay half of.

There appear to be so many illegal activities done that were covered up in this court action it is amazing.

Anyone notice that \_\_\_\_\_ has a missing partner for years?

I was told the partner was bought out by \_\_\_\_\_ years ago but when I found out that \_\_\_\_\_ was still active with the \_\_\_\_\_ I began to wonder since when does a \_\_\_\_\_ court find it within their legal limits to disregard ownership of parties that were not notified their property and company ownership was allowed to be commingled with my \_\_\_\_\_ in order to cover up the fact that the partner was no where to be found. I went looking for the partner \_\_\_\_\_ and found that instead of the man that my ex husband told me was his partner years ago, ( \_\_\_\_\_ ) instead I found on \_\_\_\_\_ County court records that it was actually a female showing on the court records that had been appearing with my ex husband. I thought that might be incorrect but then I found another case like that as well. Still not satisfied after seeing court records of my own screwed up and liars allowed to continue, over and over again without being prosecuted for lies presented to the court even though I offered up proof, I wanted to be sure so I called another law enforcement division looking for how to find out. I was then called back and informed that the female is a \_\_\_\_\_ which is much shorter than the man I had been told was \_\_\_\_\_

I don't believe this is a sex change operation I believe it is fraud continued by this court. I have already been victimized and separated for hiding and lying about me and my records. Now \_\_\_\_\_ where I asked for multiple judicial reviews, nothing done I can see.

Law enforcement in \_\_\_\_\_ is confused because they cannot understand how this is a closed divorce with no end date for the sale of the \_\_\_\_\_ house.

Credit bureaus are confused why my credit was given to my ex husband to control as sole and separate. (see \_\_\_\_\_ action by this judge and my loans etc bills still coming in, yet another hearing and judgement to take the \_\_\_\_\_ mobile home where I have worked on this case and lived hoping for law enforcement to do their job) hearing

The \_\_\_\_\_ house has no heat supplied for tenant, no insurance, the roof estimates supplied by me from companies that were asked for by the court and my attorney in late \_\_\_\_\_ when I quit my job again to take care of all the hearings, property sales and constant harassment by my ex husband while he refused to do what the judge had ordered and refused to work with me, you should all notice that prior to that time he had listed all properties ( \_\_\_\_\_ ) loan and Heloc in my name, for sale without my permission at low prices or \_\_\_\_\_ the judge ordered them sold a few months later and he has refused to do anything she said.

I even proved that the attorney was lying about me not contacting her. I uploaded proof of at least calls to their office number the attorney had given me. In fact when she turned it over to the judge and was lying about me she had told me she would call me back, so I was waiting on her return call when she was lying to the judge about me not contacting her. That decree also ordered us to sell a property already sold which I consider an illegal action to sell someone elses property.

I have been threatened and harassed way more than anyone could imagine. I have tried to do all this legally with the expectation laws would be upheld and yet today I cannot complete enough complaints fast enough to cover everything. So I would like to know if I can ever get my credit and identity back or if the change of name is to be a new identity and I need to ask under a victim program for the control of the properties and credit being used. This new hearing was served to me in \_\_\_\_\_ is that me??? Or is all this just one big fraud scheme that the judicial system and law enforcement are in on to cover it all up?

After basically a decade of unresolved  
Identity Theft against me, I beg of you, I  
want out of this hell. Please respond  
within days. Thank you! 2017-062

To: AZ Commission on Judicial Conduct

This has been very hard on me. I am  
enclosing a complaint filed before and am  
asking:

How can my properties be given  
as sole and separate while I had a  
tax lien, unpaid debts and review  
the case you will find an endless list  
of issues including being on  
the decree to sell. Why?

2) I did not sign the decree because  
I did not receive full disclosure and  
believe I have a lot of information that  
says so. The judge and left  
my debt continue to climb even  
now. Why?

Sorry about form letter format but I am beyond broke & these  
crimes are ongoing.
