re:

I've read in on what is required by a Judge
Seems main issue besides the law: **LAW FAIRLY AND TO TREAT PEOPLE WITH RESPECT**

Well those issues among others are not required by
should be fired immediately for what she has done to my family.
look sides when she took on a lying Defendant and his Attorney.
She left a child in the custody of a man who has criminal issues away from a great Mother.
took away a wonderful and caring Mother's rights.
then once she received accurate reports from agencies needed for another decision then
is attempting to monitor the Mother's rights further currently
has done nothing but destroy people's lives and now great concerns with the children.

then decided to degrade my son who resides with the Petitioner.

My son, who is now a business man, who provides a beautiful home especially for the Defendant's son,
a room, a bed. food. meals. a flat screen TV and all the comforts of a loving environment of home.
My son, who he was involved with during the pregnancy, went to every
doctor's appointment before birth, went to every school event, places in her sports as requested, spends
the summers in activities with her and her friends, is totally responsible for her welfare and happiness.

This same Judge called _____ has judged my son and his family wrongfully.

needs to be penalized and punished for her actions in the divorce case between _____ and _____

_____ does not deserve what this _____ has done to her life, her motherhood and her
children. _____ is responsible, clean, never in her life has drank or done drugs, holds down
employment and is a loving and wonderful Mother _____ children.

Those children were ripped from her on a wrongful judgment call by _____ this Judge
has no skills to be in family law at all.

Now because of the wrongful decisions made by this _____ these children will need counseling to
help understand what a court did.

_____ had no consideration in what decisions she made and how many people she affected by her
unfairness. If the review looks at all the Motions issued you will definitely see what she has done.
HAS NOW BEEN A VICTIM OF _____ AND THE COURT

This Judge actually believed lies brought to her by attorneys that have no experience and the attorneys themselves had charges brought against them

took away the Mother's rights, without cause.

This Judge ruled in the Defendant's favor, Defendant having current criminal charges.

This Judge caused all kinds of damage on alot of families regarding her ruling.

The reports show that the Defendant lied but the Judge went in his favor.

The _____ does pay child support at all for his small sons but yet the Judge still does not acknowledge this at all.

The Defendant even has current criminal pending charges.

This whole matter in front of _____ s totally unfair.

This Judge needs to remove herself and let a Judge be in charge that is fair and has experience in these matters.

There is absolutely no justification to any of the rulings in this matter with this Judge.

She has been so unfair and unjustly!

_____ is an excellent Mother, she works and provides for her family on her own.

She bears all the responsibility, while the Father does nothing to support his children,

_____ upholds this kind of low life in this world where child support is due.

Her Judicial conduct definitely needs to be reviewed for a true Mother in this case has been treated so unfairly.

How does the State of Arizona uphold this?????????????????

So we have a Judge with no family experience, who has caused more trouble than ever.

We have attorneys that lie in front of a Judge; and a Judge who believes them and rules in their favor.

We have attorneys that have past charges for lying on other cases and gets away with it.
