**ORDER**

The complainant alleged a justice of the peace violated his civil rights.

The responsibility of the Commission on Judicial Conduct is to impartially determine if the judge engaged in conduct that violated the provisions of Article 6.1 of the Arizona Constitution or the Code of Judicial Conduct and, if so, to take appropriate disciplinary action. The purpose and authority of the commission is limited to this mission.

The commission does not have jurisdiction to review the legal sufficiency of the judge's rulings. In addition, the commission found no evidence of ethical misconduct and concluded that the judge did not violate the Code in this case. Accordingly, the complaint is dismissed in its entirety, pursuant to Rules 16(a) and 23(a).

I made FRAUD & Fraudulent statements to obtain a restraining order based on "HERESAY", and violated my Civil Rights, when they sided with her and denied my right to contest; I've been searching for our child since then!! I don't know the SEX or Age, but it states

Child in Common on official documents!!

There is NO PROOF the child is mine!! I recently videoed [redacted], showing she was the aggressor in the video, as in [redacted]; Now I'm in [redacted] to find my child!! She tried to use the same lies, but I use Certified mail, which is legal and Binding;

On [redacted], without giving me "fair say", [redacted] and took her side and re-issued the original Bogus Restraining order ( [redacted] )
