COMMISSION ON JUDICIAL CONDUCT

Disposition of Complaint 17-164

Judge:

Complainant:

ORDER

The complainant alleged two superior court judges and a superior court commissioner made improper rulings in a family law proceeding.

The responsibility of the Commission on Judicial Conduct is to impartially determine if the judicial officers engaged in conduct that violated the provisions of Article 6.1 of the Arizona Constitution or the Code of Judicial Conduct and, if so, to take appropriate disciplinary action. The purpose and authority of the commission is limited to this mission.

The commission does not have jurisdiction to review the legal sufficiency of the judicial officers' rulings. In addition, the commission found no evidence of ethical misconduct and concluded that the judicial officers did not violate the Code in this case. Accordingly, the complaint is dismissed in its entirety, pursuant to Rules 16(a) and 23(a).

Commission member Margaret H. Downie did not participate in the consideration of this matter.
