ORDER

The complainant alleged a small claims hearing officer had a conflict of interest in hearing his case.

The responsibility of the Commission on Judicial Conduct is to impartially determine if the hearing officer engaged in conduct that violated the provisions of Article 6.1 of the Arizona Constitution or the Code of Judicial Conduct and, if so, to take appropriate disciplinary action. The purpose and authority of the commission is limited to this mission.

After review, the commission found no evidence of ethical misconduct and concluded that the hearing officer did not violate the Code in this case. Accordingly, the complaint is dismissed in its entirety, pursuant to Rules 16(a) and 23(a).
