**ORDER**

The complainant alleged a justice of the peace set an improper bond, failed to appoint him counsel, and improperly convicted him.

The responsibility of the Commission on Judicial Conduct is to impartially determine if the judge engaged in conduct that violated the provisions of Article 6.1 of the Arizona Constitution or the Code of Judicial Conduct and, if so, to take appropriate disciplinary action. The purpose and authority of the commission is limited to this mission.

The commission does not have jurisdiction to review the legal sufficiency of the judge's rulings. In addition, the commission found no evidence of ethical misconduct and concluded that the judge did not violate the Code in this case. Accordingly, the complaint is dismissed in its entirety, pursuant to Rules 16(a) and 23(a).

**COMPLAINT AGAINST A JUDGE**

Name: \_\_\_\_\_ Judge's Name: \_\_\_\_\_

**Instructions:** Use this form or plain paper of the same size to file a complaint. Describe in your own words what you believe the judge did that constitutes judicial misconduct. Be specific and list all of the names, dates, times, and places that will help the commission understand your concerns. Additional pages may be attached along with copies (not originals) of relevant court documents. Please complete one side of the paper only, and keep a copy of the complaint for your records.

Although \_\_\_\_\_ did violate this defendants rights in multitude, they will be addressed in separate complaints.

Concerning this particular infringement;

\_\_\_\_\_ did knowingly, willingly and intentionally issue a warrant for my arrest in a misdemeanor case with a no bail provision. Notwithstanding Arizona statutes, this is in violation of the 8th amendment to the Bill of Rights of the U.S. Constitution. Bail in this case is a matter of right. \_\_\_\_\_ did this action intentionally and with malice of forethought to cause undue harm to myself.

As it is my belief that I was mistreated in \_\_\_\_\_ courtroom, an appeal was filed. The court made an error in documenting the receipt of my appellate memorandum, and believing it was not received, \_\_\_\_\_ issued a warrant for my arrest with a "no bail" amount. It is my understanding that bail amounts are considered against an individuals "flight risk" and potential risk to the community? I would like to hear \_\_\_\_\_ justification for this action. Further, as a \_\_\_\_\_ had specific knowledge that this perverse action would cause maximum disruption and time delays for myself in the arrest process.

\_\_\_\_\_ made it clear in his actions and demeanor that he was irritated and disinterested in the facts of the case and substantially mistreated this Pro Per defendant. Even after indicating I did not want to proceed to trial without an attorney present, \_\_\_\_\_ continued with disregard to my rights.

Thank you for your attention to this matter.
