

State of Arizona
COMMISSION ON JUDICIAL CONDUCT

Disposition of Complaint 18-010

Judge:

Complainant:

ORDER

The complainant alleged a superior court commissioner was biased against him in a family law matter.

The responsibility of the Commission on Judicial Conduct is to impartially determine if the commissioner engaged in conduct that violated the provisions of Article 6.1 of the Arizona Constitution or the Code of Judicial Conduct and, if so, to take appropriate disciplinary action. The purpose and authority of the commission is limited to this mission.

The commission does not have jurisdiction to review the legal sufficiency of the commissioner's rulings. In addition, the commission found no evidence of ethical misconduct and concluded that the commissioner did not violate the Code in this case. Accordingly, the complaint is dismissed in its entirety, pursuant to Rules 16(a) and 23(a).

Dated: February 21, 2018

FOR THE COMMISSION

COMPLAINT AGAINST A JUDGE

Name: _____ Judge's Name: _____

Instructions: Use this form or plain paper of the same size to file a complaint. Describe in your own words what you believe the judge did that constitutes judicial misconduct. Be specific and list all of the names, dates, times, and places that will help the commission understand your concerns. Additional pages may be attached along with copies (not originals) of relevant court documents. Please complete one side of the paper only, and keep a copy of the complaint for your records.

what I have experienced is what is typical for fathers to experience in a biased family court system.

To say this does not exist present day is absolute ignorance.

* See Fathers Rights Movement.org or Facebook.com/fathersrights movement

Except the bias by _____ was beyond the amount of bias I was expecting. I have attached copies of court documents, evidence, and notes of these hearings for there are things/documents/evidence that I could not attach because _____ and/or the _____ was not provided me with the documents. Everything I have said here is 100% true.
