**ORDER**

The complainant alleged a superior court judge was biased against her, denied her due process, made improper rulings, and intimidated her in a family law proceeding.

The responsibility of the Commission on Judicial Conduct is to impartially determine if the judge engaged in conduct that violated the provisions of Article 6.1 of the Arizona Constitution or the Code of Judicial Conduct and, if so, to take appropriate disciplinary action. The purpose and authority of the commission is limited to this mission.

The commission does not have jurisdiction to review the legal sufficiency of the judge's rulings. In addition, the commission found no evidence of ethical misconduct and concluded that the judge did not violate the Code in this case. Accordingly, the complaint is dismissed in its entirety, pursuant to Rules 16(a) and 23(a).

**COMPLAINT AGAINST A JUDGE**

Name: \_\_\_\_\_ Judge's Name: \_\_\_\_\_

**Instructions:** Use this form or plain paper of the same size to file a complaint. Describe in your own words what you believe the judge did that constitutes judicial misconduct. Be specific and list all of the names, dates, times, and places that will help the commission understand your concerns. Additional pages may be attached along with copies (not originals) of relevant court documents. Please complete one side of the paper only, and keep a copy of the complaint for your records.

On countless occasions throughout the proceedings before \_\_\_\_\_ in Case # \_\_\_\_\_ has conducted herself in a manner of extreme bias against Plaintiff ( myself ) . Consistently I have produced evidence concerning my \_\_\_\_\_ children in Motions and Notices to the Court and consistently I have had these Motions denied without cause or explanation from Judge \_\_\_\_\_. I have consistently provided evidence concerning threats being made to myself via social media by Respondents family , however \_\_\_\_\_ allows these same individuals to remain in the Court Room during these proceedings to harass myself and act in a mannerisms of intimidation to myself . I have on more than one occassion asked for a finding of Fact and Conclusion of Law as to why the Judge hass refused to allow me the right to see my \_\_\_\_\_ persuant to the Arizona Parental Bill of Rights , however \_\_\_\_\_ ignores such requests from myself , therefore denying myself a Constitutionally Protected Right to unbias Due Process .

On \_\_\_\_\_, filed litigation in the \_\_\_\_\_ Arizona , Case Number \_\_\_\_\_ against parties related to my current \_\_\_\_\_ Case \_\_\_\_\_ and a previously dismissed Court matter . On \_\_\_\_\_ during what intitally began as a Status Conference . \_\_\_\_\_ allowed a Best Interest Attorney, assigned to \_\_\_\_\_ by the name of \_\_\_\_\_ to diannose myself with " Mental Illness " , stating his reasoning for such is because I filed Litigation in \_\_\_\_\_ against the State of Arizona . \_\_\_\_\_ does not have any type of Licensure to diagnose anyone with any illness of any kind . I attempted to provide the Court with evidence concerning \_\_\_\_\_ ( Best Interest Attorney ) providing misleading and at best inaccurate information , however \_\_\_\_\_ ignored the evidence I attempted to present to the Court and took hearsay over my evidence . \_\_\_\_\_ then held myself against my will in the Court Room , by means of armed bailiffs to threaten and intimidate myself in order to take my \_\_\_\_\_ children from my custody WITHOUT \_\_\_\_\_ evidence , due process or probable cause . I was even accused of allegedly murdering my \_\_\_\_\_ children by Best Interest Attorney \_\_\_\_\_ , just because I stated I felt that it is completely inappropriate to have him in my home til 9pm at night video recording myself , however \_\_\_\_\_ stated in open Court that she decides what is and is not appropriate , therefore facilitating \_\_\_\_\_ adreicious acts of misconduct as related to sexual harassment , towards myself . To my understating \_\_\_\_\_ look an "Oath" to not just uphold the Constitution of Arizona but the Constition of the United States of America , this is not something she has done in this case at anytime . A Judge is to administer ruling in accordance with the Law and based on clear , convincing and concise evidence that is presented , in a non-bias . neutral manner , over hearsay allegations WITHOUT substantiating evidence , once again \_\_\_\_\_ does not do this . I am more than able to provide the \_\_\_\_\_ footage to this Commission or should the Commission wish they can conduct a review of the Courts Audio/ Video Record of the incident on \_\_\_\_\_ , on their own.

In closing I look forward to hearing from this Commission as to the highly prejudical and Constitutionally offensive actions and conduct of \_\_\_\_\_ .

Attached the Commission will find the Orders dated . In open Court stated that these Orders were " Temporary " however the orders show to the contrary . Bottom of pg 6 states " may be " , that is an assumption not substantiated by clear and concise evidence beyond a reasonable doubt .

Attached the Commission will find the Arizona Parental Bill of Rights that I filed on , Which Judge ignored and blatantly violated WITHOUT due process or any substantiating evidence to constitute violating my protected rights as a Parent and Citizen .
