ORDER

The complainant alleged a superior court judge was corrupt and conducted a fake trial.

The responsibility of the Commission on Judicial Conduct is to impartially determine if the judge engaged in conduct that violated the provisions of Article 6.1 of the Arizona Constitution or the Code of Judicial Conduct and, if so, to take appropriate disciplinary action. The purpose and authority of the commission is limited to this mission.

The commission does not have jurisdiction to review the legal sufficiency of the judge's rulings. In addition, the commission found no evidence of ethical misconduct and concluded that the judge did not violate the Code in this case. Accordingly, the complaint is dismissed in its entirety, pursuant to Rules 16(a) and 23(a).

→ would like to file a complaint on
and

During my fake trial under judge
D.O.C. official / reclassification
officer testified, more like
testified that the only reason I've
been on high yards was because I
was "under investigation", which was
a lie as others have been under-
investigation and on lower yards.
With that said I have earned myself
to go to a lower yard Medium / 3 yard
and I want to send me to
a Close / Custody / 4 yard! This is a
complete and utter set up as I would
be forced to have a cellie who if not
already an informant will be forced
to lie about me saying I said some-
thing I never did! And corrupt
judges like & will say
I did say that! The corrupt cops,
prosecutor and others have done this in
the past!

Now I must refuse to get set up
again which will get me in more

trouble! All this because judge
required to do what's right;
Morally, ethically, Constitutionally,
humanely. Refused! And it's been a
nonstop snow ball effect.

Furthermore, committed
perjury in her court, not that she
really has respect for the court as she
alleged a corrupt Detective commit a
crime or a lawyer in that same court of hers.

Sincerely
