COMMISSION ON JUDICIAL CONDUCT

Disposition of Complaint 18-042

Judge:

Complainant:

ORDER

The complainant alleged a superior court commissioner retaliated against her for filing a motion for change of judge.

The responsibility of the Commission on Judicial Conduct is to impartially determine if the commissioner engaged in conduct that violated the provisions of Article 6.1 of the Arizona Constitution or the Code of Judicial Conduct and, if so, to take appropriate disciplinary action. The purpose and authority of the commission is limited to this mission.

After review, the commission found no evidence of ethical misconduct and concluded that the commissioner did not violate the Code in this case. Accordingly, the complaint is dismissed in its entirety, pursuant to Rules 16(a) and 23(a).

these things since neither you or I were here, I'm asking you to dismiss the minutes or any remarks from that day. My kids father, my daughter, and I all heard the disgraceful remarks. This would be the second reason for a Immediate DisMissal and Appeal of my sons

case. A judge shouldn't be serving our country behaving in this manner. I'd like immediate attention to this matter for health reasons of my kidney failing my body, my time is limited. Thanks and god bless!

Sincerely,

Everyone should matter in the courtroom, especially a mother, and definately by a judge who should be serving the people and community with honesty and dignity.
