**ORDER**

The complainant alleged a municipal court judge improperly denied his request for a continuance without a reason in a civil traffic matter.

The responsibility of the Commission on Judicial Conduct is to impartially determine if the judge engaged in conduct that violated the provisions of Article 6.1 of the Arizona Constitution or the Code of Judicial Conduct and, if so, to take appropriate disciplinary action. The purpose and authority of the commission is limited to this mission.

The commission does not have jurisdiction to review the legal sufficiency of the judge's rulings. In addition, the commission found no evidence of ethical misconduct and concluded that the judge did not violate the Code in this case. Accordingly, the complaint is dismissed in its entirety, pursuant to Rules 16(a) and 23(a).

**Instructions:** Use this form or plain paper of the same size to file a complaint. Describe in your own words what you believe the judge did that constitutes judicial misconduct. Be specific and list all of the names, dates, times, and places that will help the commission understand your concerns. Additional pages may be attached along with copies (not originals) of relevant court documents. Please complete one side of the paper only, and keep a copy of the complaint for your records.

*I'am including a copy of each letter and/or document involved in this matter.*

*I asked the judge for an extention/continuance so I would have time to go to the Law Library in and research the codes and statutes so that I would understand just what's going on in this situation.*

*In my opinion& I believe the proper procedure is to give a reason why my request was denied. In my second letter I again was ~~denied~~ denied a reason.*

*Times are changing and attitudes among the police, public officia, and judges ~~are~~ seem to be getting rather offensive some-times. I just believe I should be given a chance to research and understand just what I'am up against. There is no reason why I should not be allowed to research this matter.*

*I was injured on the job \_\_\_\_\_ ago and have very little.  
I'am now on Social Security and barely make ends meet.*
