**ORDER**

The complainant alleged a superior court commissioner improperly denied him a new attorney and investigator.

The responsibility of the Commission on Judicial Conduct is to impartially determine if the commissioner engaged in conduct that violated the provisions of Article 6.1 of the Arizona Constitution or the Code of Judicial Conduct and, if so, to take appropriate disciplinary action. The purpose and authority of the commission is limited to this mission.

The commission does not have jurisdiction to review the legal sufficiency of the commissioner's rulings. In addition, the commission found no evidence of ethical misconduct and concluded that the commissioner did not violate the Code in this case. Accordingly, the complaint is dismissed in its entirety, pursuant to Rules 16(a) and 23(a).

## Complaint AGAINST A JUDGE

Your name: 1

Judge's name-

I filed my attorney  
never reading complaints or my letters for

Mr Judge got mad at me for  
standing up on one good leg stating this.  
Said he was a good attorney, that this  
State doe's not have time to single one  
out to work on their case. I've done spent  
in this States Doc system walking  
out on issues. I feel like I do have  
and right to fight for my life here at  
old. When this Judge will not even award  
funds for my new attorney, for and investigate  
or tests that need to be done. And States  
I need to except what I get with out  
Complaints. This is all of record. I want a chance  
to fight for my life.

Thank you Sincerely
