**ORDER**

The complainant alleged a superior court judge did not follow the law and mocked him in a family law matter.

The responsibility of the Commission on Judicial Conduct is to impartially determine if a judicial officer engaged in conduct that violated the provisions of Article 6.1 of the Arizona Constitution or the Code of Judicial Conduct and, if so, to take appropriate disciplinary action. The purpose and authority of the commission is limited to this mission.

The commission does not have jurisdiction to review the legal sufficiency of a judicial officer's rulings. In addition, the commission found no evidence of ethical misconduct and concluded that the judicial officer did not violate the Code in this case. Accordingly, the complaint is dismissed in its entirety, pursuant to Rules 16(a) and 23(a).

Dated: August 23, 2018

Copies of this order were distributed to all appropriate persons on August 23, 2018.

*This order may not be used as a basis for disqualification of a judge.*

On several occasions Judge \_\_\_\_\_ has acted in Implicit Bias and has articulated his prejudgments. On \_\_\_\_\_ the respondent had not properly sent in information on a timely manner or sent copies of their response to me for our \_\_\_\_\_ hearing. I filed a default motion, he denied it. Also, the respondent did was allowed to call in telephonically for our \_\_\_\_\_ Hearing, while on the phone she had legal council, whom was not registered to the case, that we could hear in the background, and did nothing about it. During this same hearing he stated after the respondent denied the \_\_\_\_\_ after already having in order to delay hearings, Judge \_\_\_\_\_ stated, that if the case was delayed to take another \_\_\_\_\_ make up parenting time would be given. Which he never exercised, even when motion was placed requesting what he stated. Then during this hearing he also stated that the \_\_\_\_\_ be taken in \_\_\_\_\_ . The Respondent, defied his verbal orders. He also had poorly written orders. The respondent proceeded and took the \_\_\_\_\_ , and nothing was done. Once \_\_\_\_\_ ; Judge \_\_\_\_\_ did not order the " \_\_\_\_\_ . He also, gave a verbal reprimand for the \_\_\_\_\_ and not bringing \_\_\_\_\_ as ordered for this date. Judge \_\_\_\_\_ was presented with 3rd party facts about the health and safety of the environment that the \_\_\_\_\_ , and ignored it sole based on the Respondents word! He stated that he could not order \_\_\_\_\_ state of \_\_\_\_\_ . His temporary orders did not include Holiday schedules. He stated to the Respondent if she was late in our \_\_\_\_\_ "lose \_\_\_\_\_ . He basically told me to file an order and he would honor my order...He also stated that during our meeting that the \_\_\_\_\_ The Respondent was late on the \_\_\_\_\_ , nothing happened. He actually reprimanded me for filing orders that HE suggest me to do. He stated in his other cases the people are far worse than the respondent in this case, and I asked if we were still looking for the \_\_\_\_\_ not the other cases... During the weekend with \_\_\_\_\_ the \_\_\_\_\_ had to be called because the Respondent put \_\_\_\_\_ at harm by \_\_\_\_\_ , even though she would have to return on the following \_\_\_\_\_ . There were body-camera footage and reports to support this event, Judge \_\_\_\_\_ ignored it again. Several emergency orders have been filed with proof of the history of the respondent and those around her were \_\_\_\_\_ to the home and \_\_\_\_\_ a mile of the home, yet he says the \_\_\_\_\_ is what we are to being based off of this home. He has also shown a lack of preparedness and understanding of \_\_\_\_\_ law. Which has resulted in \_\_\_\_\_ lost because of his negligence in writing orders. He's mocked me in court after I wrote a letter to him explaining the severity of his actions. During the hearing he stated " \_\_\_\_\_ that was a direct response to my letter about his orders on \_\_\_\_\_ was on video and he did nothing about it. He has asked me to \_\_\_\_\_ .

On \_\_\_\_\_ or so, I filed emergency orders after seeing the respondent in a bad state due to alcohol, which medical care has stated, " \_\_\_\_\_ drinker (Submitted evidence). I had spoken to \_\_\_\_\_ t and they all stated that I could lose \_\_\_\_\_ with the state if I knowingly surrendered \_\_\_\_\_ . He denied my Temporary Emergency Orders, as

He denied my Temporary Emergency Orders, as usual, never did he write anything, but his judges assistant told me, not him, that I had to turn \_\_\_\_\_ over. Due to the information that I was given and since it wasn't written in orders, which had allowed the Respondent a " \_\_\_\_\_ ", I kept \_\_\_\_\_. As a result without EVER hearing any of the 3rd party evidence, before the trial began, he had informed me that I was in contempt of court and he \_\_\_\_\_. I then asked him, if we were still having trial, because it seems as if he has made his judgment before hearing and seeing the facts. Then he changed his tone, however, he still \_\_\_\_\_ from \_\_\_\_\_; which had already been stolen by the Respondent by alluding Process Service and taking the minor from \_\_\_\_\_ were \_\_\_\_\_ Judge \_\_\_\_\_ wasn't even aware of \_\_\_\_\_. Which I had placed this information and what I was seeking in my Pre-Trial Statement. He had to look up the law during trial. He had no clue what it was. He then, even with video evidence of the Respondent saying " \_\_\_\_\_ " said she left in good faith. He made accusations of me with no evidence. In fact 3rd party evidence supported my facts, but he stated he believed I did what only the Respondent with no evidence or witnesses stated. The Respondent on had been caught perjuring herself, and on \_\_\_\_\_ when she did it again, he stated once I brought up her contradiction minutes later, he said " \_\_\_\_\_ " he made several statements about me outloud during our hearings, and then once I denied r \_\_\_\_\_ that he was really pushing for, despite our Pre-Trial statements, he ran the information anyway. Once it was deemed that I'd be receiving child support, he stated, " \_\_\_\_\_ " I stated to him he has not listened at all to what I want and again asked that he still deny \_\_\_\_\_ because I wanted the respondent to get the assistance that she really needed. He then stated " \_\_\_\_\_ " With all the written concerns and evidence, he has not ruled \_\_\_\_\_ . Nor has he even ordered \_\_\_\_\_ . He instead is making us \_\_\_\_\_ : to exchange the \_\_\_\_\_

On \_\_\_\_\_ I filled a \_\_\_\_\_ motion, because the Respondent violated the written orders of \_\_\_\_\_ as it related to the \_\_\_\_\_. If these things weren't met, the respondent (or myself, if I had failed) would be subjected to \_\_\_\_\_. The expectations were clear in this part of the orders, the respondent had \_\_\_\_\_ and did not do it at the stated facilities. Judge \_\_\_\_\_ once again, is not holding her to HIS written or direct oral orders when it comes to this situation. How can expect others to follow his orders when he doesn't follow the law or even his own orders?
