COMMISSION ON JUDICIAL CONDUCT

Disposition of Complaint 18-180

Judge:

Complainants:

ORDER

The complainants alleged a superior court judge made numerous ethical violations while presiding over their case.

The responsibility of the Commission on Judicial Conduct is to impartially determine if a judicial officer engaged in conduct that violated the provisions of Article 6.1 of the Arizona Constitution or the Code of Judicial Conduct and, if so, to take appropriate disciplinary action. The purpose and authority of the commission is limited to this mission.

The commission does not have jurisdiction to review the legal sufficiency of a judicial officer's rulings. In addition, the commission found no evidence of ethical misconduct and concluded that the judicial officer did not violate the Code in this case. Accordingly, the complaint is dismissed in its entirety, pursuant to Rules 16(a) and 23(a).

Commission members George H. Foster, Jr., Diane M. Johnsen and J. Tyrrell Taber did not participate in the consideration of this matter.

Dated: November 7, 2018
