**ORDER**

The complainant alleged a superior court judge made improper evidentiary and legal rulings and allowed an attorney to know a defendant had filed a bar complaint against that attorney.

The responsibility of the Commission on Judicial Conduct is to impartially determine if a judicial officer engaged in conduct that violated the provisions of Article 6.1 of the Arizona Constitution or the Code of Judicial Conduct and, if so, to take appropriate disciplinary action. The purpose and authority of the commission is limited to this mission.

The commission does not have jurisdiction to review the legal sufficiency of a judicial officer's rulings. In addition, the commission found no evidence of ethical misconduct and concluded that the judicial officer did not violate the Code in this case. Accordingly, the complaint is dismissed in its entirety, pursuant to Rules 16(a) and 23(a).

## Commission on Judicial Conduct

2018-194

I ~~would~~ like to report from \_\_\_\_\_ County, \_\_\_\_\_ for misconduct in the following case #'s \_\_\_\_\_ and \_\_\_\_\_ for the following reasons.

#1) On \_\_\_\_\_ before your trial. She brought him to court to bully him into postponing his trial scheduled for \_\_\_\_\_

#2) She allowed his attorney to know about \_\_\_\_\_ complaint against \_\_\_\_\_ to the \_\_\_\_\_ for \_\_\_\_\_ refusal to speak to \_\_\_\_\_, except for \_\_\_\_\_ time before trial. Also for refusal to call material witnesses in defense. Not supposed to file complaints on "open" cases

3) \_\_\_\_\_ the alleged \_\_\_\_\_ told \_\_\_\_\_ investigator, that \_\_\_\_\_ didn't live with her on \_\_\_\_\_ due to \_\_\_\_\_ stealing from her several times. \_\_\_\_\_ told police she lived with \_\_\_\_\_ on \_\_\_\_\_ was "afraid to return there because of knowing she called police on him." claimed \_\_\_\_\_ was a character witness not material, but \_\_\_\_\_ lies made a material witness. He could have called her to see

if in fact she lived there & seen where answers lead the defense, but refused.

#4)

the alleged "told" investigator that filed false charges against him not times. 4<sup>th</sup> investigator went online and confirmed the did this to her yet claimed was also a character witness & not material, even though said from that had filed false charges against him.

#5) claimed she won \$ on yet pounded on door to have unlock door on in the morning, so could pay her cab fare that would have proved was lying about the but was never called as a witness, even though she was present at the trial!

#6) Judge allowed to add misdemeanor theft & assault in addition to the aggravated robbery charge even though theft & assault are defined in agg robbery.

#7) Despite the jury seeing through lies, weak defense, by returning a not guilty verdict on judge found guilty of theft & assault with wasn't allowed a jury's verdict on due to them being misdemeanors.

#8) Judge allowed a recorded conversation between to be disclosed "the plea bargain had been withdrawn. That's"

#9) Also only allowed the first of the conversation to be played to the jury, said the second was

#10) Judge gave sentence on

#11) Had to sentence on the sentence was excessive. He should have come home on when the jury came back with a not guilty verdict. He's been held illegally & the will agree.

#12) Judge ordered post conviction relief until the conclusion. Also illegal & she had to

vacate that ruling on

Judge, seems to  
have no regard for Arizona law and  
rules of criminal procedure. She's broken  
more laws than ~~she~~ she should  
have to trade places with him! Plus I have  
a fractured hip from ~~the~~ ~~the~~  
home to help care for me!

I love you so much  
with all my heart I know Jesus  
will reunite us soon! In faith &  
in prayer

Sincerely
