COMMISSION ON JUDICIAL CONDUCT

Disposition of Complaint 18-232

Judge:

Complainant:

ORDER

The complainant alleged a superior court judge ignored the violations committed by others involved in the action, issued improper orders, made “grievous errors” and caused the Complainant distress as a result of the court’s errors.

The responsibility of the Commission on Judicial Conduct is to impartially determine if a judicial officer engaged in conduct that violated the provisions of Article 6.1 of the Arizona Constitution or the Code of Judicial Conduct and, if so, to take appropriate disciplinary action. The purpose and authority of the commission is limited to this mission.

The commission does not have jurisdiction to review the legal sufficiency of a judicial officer’s rulings. In addition, the commission found no evidence of ethical misconduct and concluded that the judicial officer did not violate the Code in this case. Accordingly, the complaint is dismissed in its entirety, pursuant to Rules 16(a) and 23(a).

Commission members George H. Foster, Jr. and Anna Mary Glaab did not participate in the consideration of this matter.

Dated: November 14, 2018

Copies of this order were distributed to all appropriate persons on November 14, 2018.

This order may not be used as a basis for disqualification of a judge.
