**ORDER**

The complainant alleged a justice of the peace had an impermissible conflict and failed to recuse from his case.

The responsibility of the Commission on Judicial Conduct is to impartially determine if a judicial officer engaged in conduct that violated the provisions of Article 6.1 of the Arizona Constitution or the Code of Judicial Conduct and, if so, to take appropriate disciplinary action. The purpose and authority of the commission is limited to this mission.

After review, the commission found no evidence of ethical misconduct and concluded that the judicial officer did not violate the Code in this case. Accordingly, the complaint is dismissed in its entirety, pursuant to Rules 16(a) and 23(a).

Commission member Roger D. Barton did not participate in the consideration of this matter.
