**ORDER**

The complainant alleged a superior court judge was biased against him and made improper rulings in a family law matter.

The responsibility of the Commission on Judicial Conduct is to impartially determine if a judicial officer engaged in conduct that violated the provisions of Article 6.1 of the Arizona Constitution or the Code of Judicial Conduct and, if so, to take appropriate disciplinary action. The purpose and authority of the commission is limited to this mission.

The commission does not have jurisdiction to review the legal sufficiency of a judicial officer's rulings. In addition, the commission found no evidence of ethical misconduct and concluded that the judicial officer did not violate the Code in this case. Accordingly, the complaint is dismissed in its entirety, pursuant to Rules 16(a) and 23(a).

Dated: December 5, 2018

Copies of this order were distributed to all appropriate persons on December 5, 2018.

COMPLAINT AGAINST A JUDGE

Name: \_\_\_\_\_ Judge's Name: \_\_\_\_\_

Instructions: Use this form or plain paper of the same size to file a complaint. Describe in your own words what you believe the judge did that constitutes judicial misconduct. Be specific and list all of the names, dates, times, and places that will help the commission understand your concerns. Additional pages may be attached along with copies (not originals) of relevant court documents. Please complete one side of the paper only, and keep a copy of the complaint for your records.

On \_\_\_\_\_ I had a case in court in which \_\_\_\_\_ favored the attorney by leaning toward ther client even though \_\_\_\_\_ Client had not followed all court orders. tried to twist questions such as " \_\_\_\_\_ in lieu of whv did your daughter state in her court ordered child interview that she was " \_\_\_\_\_ did nothing to stop such hatful remarks from \_\_\_\_\_ This clearly shows that Judge \_\_\_\_\_ did not review exhibits submitted by either party.

At one time \_\_\_\_\_ mentioned of my facial expressions at which time \_\_\_\_\_ discussed with me. \_\_\_\_\_ the whole time in court and at no time did he tell did her to \_\_\_\_\_ and or \_\_\_\_\_ during my questioning.

After we received the ruling I decided to research the internet regarding \_\_\_\_\_ as the out come response was "

" Thats it? No reasons from the exhibits submitted? All the documents I provided proving the mother was not following court orders, were not relevant to the case? Really?

What I found on the internet is that \_\_\_\_\_ experience has been in \_\_\_\_\_ and \_\_\_\_\_ I also found that Judge \_\_\_\_\_ has numerous complaints in the court room. How is that fair for a Father that follows every court order but the mother doesn't follow any court orders? If a father was to stop following court orders he would be picked up by the sheriff in a heart beat.

Also on \_\_\_\_\_ admitted to an error on the original Court Minutes in favor of the Respondent. You cant tell me that \_\_\_\_\_ had an influence on \_\_\_\_\_ decision to revise his final decision?

I have filed an qppeal for this case as I am appauled on how an indivudal can make such a decision.

I recommend that Judge \_\_\_\_\_ be banned as a judge and \_\_\_\_\_ If the State of Arizona does not follow through with such recommendations they will be responsible for any outcome of such behavior allowed by appointed officicals.
