My Family has been presumed guilty, deprived of our life, liberty and property, and have been forced into involuntary servitude to prove our innocence.

This judge is out of control and needs to be removed from the bench.

He has gone as far in his hate and retaliation, against disabled persons to prevent my son from keeping his own _____ and then prosecuting him from the bench and scheduling a contempt hearing, openly threatening my son with false imprisonment to intimidate and threaten him to pervert or prevent his testimony and in retaliation for him reporting them to the _____
