COMMISSION ON JUDICIAL CONDUCT

Disposition of Complaint 18-404

Judge:

Complainant:

ORDER

The Complainant alleged a superior court judge engaged in improper demeanor.

The role of the Commission on Judicial Conduct is to impartially determine whether a judicial officer has engaged in conduct that violates the Arizona Code of Judicial Conduct or Article 6.1 of the Arizona Constitution. There must be clear and convincing evidence of such a violation in order for the Commission to take disciplinary action against a judicial officer.

The Commission does not have jurisdiction to overturn, amend, or remand a judicial officer's legal rulings. The Commission reviewed all relevant available information and concluded there was not clear and convincing evidence of ethical misconduct in this matter. The complaint is therefore dismissed pursuant to Rules 16(a) and 23(a).

#1 Starts out by reminding me of how my medical condition was such a problem and just yelling with anger for no reason just making me tear up so much I couldn't hold back from crying after she kicks me out of the court room saying I am disruptive. I was bullied me out of the courtroom in front of everyone because she was the person in charge. I have _____ and I felt attacked like an entire army was on me. Laughing the entire time even I told her that it's part of my disability and that she is discriminating against me. I never have been so humiliated that much in my entire life. It's making me cry now thinking about it. She even had the court point adviser join in on the harassment over the phone
