COMMISSION ON JUDICIAL CONDUCT

Disposition of Complaint 19-008

Judge:

Complainant:

ORDER

The Complainant alleged a superior court judge failed to recognize him as a man, disregarded his proof, improperly placed service requirements on him, and failed to respond to matters in a timely manner.

The role of the Commission on Judicial Conduct is to impartially determine whether a judicial officer has engaged in conduct that violates the Arizona Code of Judicial Conduct or Article 6.1 of the Arizona Constitution. There must be clear and convincing evidence of such a violation in order for the Commission to take disciplinary action against a judicial officer.

The Commission does not have jurisdiction to overturn, amend, or remand a judicial officer's legal rulings. The Commission reviewed all relevant available information and concluded there was not clear and convincing evidence of ethical misconduct in this matter. The complaint is therefore dismissed pursuant to Rules 16(a) and 23(a).
