

State of Arizona
COMMISSION ON JUDICIAL CONDUCT

Disposition of Complaint 19-012

Judge:

Complainant:

ORDER

The Complainant alleged a municipal court judge refused to give him a break on a speeding ticket.

The role of the Commission on Judicial Conduct is to impartially determine whether a judicial officer has engaged in conduct that violates the Arizona Code of Judicial Conduct or Article 6.1 of the Arizona Constitution. There must be clear and convincing evidence of such a violation in order for the Commission to take disciplinary action against a judicial officer.

The Commission does not have jurisdiction to overturn, amend, or remand a judicial officer's legal rulings. The Commission reviewed all relevant available information and concluded there was not clear and convincing evidence of ethical misconduct in this matter. The complaint is therefore dismissed pursuant to Rules 16(a) and 23(a).

To whom it may concern

My name is _____, this is my formal complaint regarding my case
 on date _____, my wife who was pregnant at that time, was in jeopardy of having
 a miscarriage and so I was in a hurry because _____ and her English
 language very limited, on my way there I was pulled over by police officer his name
 who cited me for going just _____ over the limit, I was driving _____ per hour in a
 miles zone, the officer never asked for insurance or registration! He just cited me unfairly, I
 have documents that show that I had real emergency therefore a legitimate reason for driving
 miles over, I have a letter from the Doctor that day as proof of emergency. Due to this citation I
 opted to see a Judge rather than Defensive Driving Classes. I thought justice would prevail and I
 wouldn't have to because I did nothing that justifies this but to my dismay Judge
 from _____ court refused to give me a break and he fined me \$ _____ as well as
 (_____) added to my driver's license which will affect my job since I am a
 driver for living. I am a certified driver for _____ and I can prove that, I have clean history as a
 driver for _____ crevices, but with these points added to my license it can
 affect my current job and any future jobs! I am being unfairly targeted because I am _____ and
 I thought I could trust the country that allowed me to live in it while _____ the _____ for years
 , I was given a _____ and in return for my _____ I get treated like this? Where
 is this justice that America claims to give to its Citizens? I am a Citizen here yet I am being
 treated as if I am not. It was not too much to ask that Judge to not put _____ points on my driving
 record, I told him I would pay the fine but please leave my driving record Clean but he did not
 and I think that is very unfair of him and the _____ court of _____ county. With the appeal
 fees from the _____ of Arizona State I paid total of \$ _____ and the ruling never
 changed! So it was worse for me in the long run instead of better.
 Thank you very much for your time and wish you and our great country a very happy and
 blessed new year.
