COMMISSION ON JUDICIAL CONDUCT

Disposition of Complaint 19-031

Judge:

Complainant:

ORDER

June 19, 2019

The Complainant alleged a superior court judge was biased against him and refused to accept his evidence.

The role of the Commission on Judicial Conduct is to impartially determine whether a judicial officer has engaged in conduct that violates the Arizona Code of Judicial Conduct or Article 6.1 of the Arizona Constitution. There must be clear and convincing evidence of such a violation in order for the Commission to take disciplinary action against a judicial officer.

The Commission does not have jurisdiction to overturn, amend, or remand a judicial officer's legal rulings. The Commission reviewed all relevant available information and concluded there was not clear and convincing evidence of ethical misconduct in this matter. The complaint is therefore dismissed pursuant to Rules 16(a) and 23(a).

Copies of this order were distributed to all appropriate persons on June 19, 2019.

On the date of _____ both _____ Plead
our cases in front of Judge _____ . During the
trial Judge _____ seemed to lack focus of being discussed.
I only seemed she became focused in the trial only after
said that she still breast feed, for the location
of pick up for parenting time. When it was time to pick
a location for pick-up; Judge _____ would deny both my
witness & I's locations. Even though we adjusted our locations
based on her dislikes about the various locations she still appealed
to suggest. As we proceeded to the ending of our court
time. I asked Judge _____ if she would like any of the
evidence I have supporting all my statements. At this time all
evidence was organized & ready to be handed to the judge, since
she never once asked if I had evidence supporting my statements.
She quickly declined & simply waved her hand and I quote " " Not
only was my evidence not submitted nor considered, not even my
witness statement who, was present at the time of the hearing & involved
during several conversations of the trial.
