

State of Arizona
COMMISSION ON JUDICIAL CONDUCT

Disposition of Complaint 19-066

Judge:

Complainant:

ORDER

July 10, 2019

The Complainant alleged a justice of the peace (now retired) interfered in her small claims case. The Commission's investigation revealed that the retired justice of the peace was not serving in any judicial capacity at the time of the allegations, and thus, the Commission lacked jurisdiction over the retired justice of the peace.

The role of the Commission on Judicial Conduct is to impartially determine whether a judicial officer has engaged in conduct that violates the Arizona Code of Judicial Conduct or Article 6.1 of the Arizona Constitution. There must be clear and convincing evidence of such a violation in order for the Commission to take disciplinary action against a judicial officer.

The Commission reviewed all relevant available information and concluded there was not clear and convincing evidence of ethical misconduct in this matter even if the named judicial officer was still serving in a judicial capacity. The complaint is therefore dismissed pursuant to Rules 16(a) and 23(a).

Copies of this order were distributed to all appropriate persons on July 10, 2019.
