Disposition of Complaint 19-081

**ORDER**

July 17, 2019

The Complainant alleged a justice of the peace was not following the law.

The role of the Commission on Judicial Conduct is to impartially determine whether a judicial officer has engaged in conduct that violates the Arizona Code of Judicial Conduct or Article 6.1 of the Arizona Constitution. There must be clear and convincing evidence of such a violation in order for the Commission to take disciplinary action against a judicial officer.

The Commission does not have jurisdiction to overturn, amend, or remand a judicial officer's legal rulings. The Commission reviewed all relevant available information and concluded there was not clear and convincing evidence of ethical misconduct in this matter. The complaint is therefore dismissed pursuant to Rules 16(a) and 23(a).

Copies of this order were distributed to all appropriate persons on July 17, 2019.

**COMPLAINT AGAINST A JUDGE**

**Name:** \_\_\_\_\_ **Judge's Name:** \_\_\_\_\_

**Instructions:** Use this form or plain paper of the same size to file a complaint. Describe in your own words what you believe the judge did that constitutes judicial misconduct. Be specific and list all of the names, dates, times, and places that will help the commission understand your concerns. Additional pages may be attached along with copies (not originals) of relevant court documents. Please complete one side of the paper only, and keep a copy of the complaint for your records.

I am the defendant in the above case which was originally filed in \_\_\_\_\_ I am not represented by an attorney but the Plaintiff is.

The case was filed in the wrong Justice Court which filing is required to be filed in \_\_\_\_\_ voting district which is not in the above Justice Court jurisdiction. I filed a motion for the case to be dismissed several times after response to my motions by the Plaintiff's attorney.

This case was dismissed twice by \_\_\_\_\_ and then reconsidered twice. We have never even appeared in court as all that's happening is Judge \_\_\_\_\_ keep permitting motions to be reconsidered when this case should have been dismissed completely for the error by the Plaintiffs attorney.

I do not agree to moving the case to the correct court. The attorney failed to file properly and it should be dismissed on its face.

I feel the Judge has erred and is not following judicial rule and guidelines and the law.
