

State of Arizona
COMMISSION ON JUDICIAL CONDUCT

Disposition of Complaint 19-092

Judge:

Complainant:

ORDER

July 17, 2019

The Complainant alleged a superior court commissioner failed to follow the law in a civil matter, was biased against him, and should have disqualified herself. The Complainant also requested to appear before the Commission.

The role of the Commission on Judicial Conduct is to impartially determine whether a judicial officer has engaged in conduct that violates the Arizona Code of Judicial Conduct or Article 6.1 of the Arizona Constitution. There must be clear and convincing evidence of such a violation in order for the Commission to take disciplinary action against a judicial officer.

The Commission does not have jurisdiction to overturn, amend, or remand a judicial officer's legal rulings. The Commission reviewed all relevant available information and concluded there was not clear and convincing evidence of ethical misconduct in this matter. The complaint is therefore dismissed pursuant to Rules 16(a) and 23(a). The Complainant's request to appear before the Commission is also denied.

Copies of this order were distributed to all appropriate persons on July 17, 2019.
