COMMISSION ON JUDICIAL CONDUCT

Disposition of Complaint 19-099

Judge:

Complainant:

ORDER

July 24, 2019

The Complainant alleged a superior court commissioner violated his speedy trial rights.

The role of the Commission on Judicial Conduct is to impartially determine whether a judicial officer has engaged in conduct that violates the Arizona Code of Judicial Conduct or Article 6.1 of the Arizona Constitution. There must be clear and convincing evidence of such a violation in order for the Commission to take disciplinary action against a judicial officer.

The Commission does not have jurisdiction to overturn, amend, or remand a judicial officer's legal rulings. The Commission reviewed all relevant available information and concluded there was not clear and convincing evidence of ethical misconduct in this matter. The complaint is therefore dismissed pursuant to Rules 16(a) and 23(a).

Copies of this order were distributed to all appropriate persons on July 24, 2019.

To whom it may concern,
I am filing a complaint against
I have been on this case ~~for~~ ^{for} ~~over~~ ^{over} ~~10~~ ¹⁰ ~~days~~ ^{days}. Pursuant 16 A.A.R.S. 8-1(c), 8-2(c)(i) and
8.6, defendants in custody should face trial no later than ~~10~~ ¹⁰ days after arraignment. I have repeatedly made my attorneys, the prosecutor and the courts aware of the exhausted time frames. I specifically did not waive my rule 8, there was no finding of extraordinary circumstances nor do any extensions under 8.5 qualify. My case should have been dismissed today. My attorney and the Judge both refused to file/accept my oral petition for the above. ^{stated} he did not agree after I read verbatim from the ADS title I brought with me. He is also continuing to deny me video footage that would exonerate me, insisting on trial though the jail footage would prove I was here and not at the alleged location.
I asked for his name ^{and my attorney} after he ~~stated~~ ^{stated} read the plaque: I had to take it up. Please contact me ASAP.
