COMMISSION ON JUDICIAL CONDUCT

Disposition of Complaint 19-105

Judge:

Complainant:

ORDER

July 3, 2019

The Complainant alleged a superior court commissioner was bribed into signing protective orders against the Complainant.

The role of the Commission on Judicial Conduct is to impartially determine whether a judicial officer has engaged in conduct that violates the Arizona Code of Judicial Conduct or Article 6.1 of the Arizona Constitution. There must be clear and convincing evidence of such a violation in order for the Commission to take disciplinary action against a judicial officer.

The Commission does not have jurisdiction to overturn, amend, or remand a judicial officer's legal rulings. The Commission reviewed all relevant available information and concluded there was not clear and convincing evidence of ethical misconduct in this matter. The complaint is therefore dismissed pursuant to Rules 16(a) and 23(a).

Commission members Denise K. Aguilar and Barbara Brown did not participate in the consideration of this matter.

Copies of this order were distributed to all appropriate persons on July 3, 2019.

In turn, I defended myself at the instance, in question, on _____ against the aggressors and I was _____ at the time of the incident. I was then thrown around and _____ shortly following the incident on _____ and taken to the _____ for the remainder of the day while the other aggressors were not further questioned nor arrested at that point in time with respect to the aggravated assault and attempted manslaughter for which they should have been held accountable in the court of justice. As of _____ exactly all of the police reports created on _____ were still considered opened, uncompleted, and unapproved. In turn, the _____ has vet to return my calls and requests for information surrounding the multiple cases _____ . After I was unjustly held at _____ for the _____ following my arrest on _____ I was then released on Post Release pertinent to the _____ judiciary's discretion and approval.
