Complainant:

ORDER

August 21, 2019

The Complainant alleged a superior court commissioner engaged in improper demeanor in a criminal matter.

The role of the Commission on Judicial Conduct is to impartially determine whether a judicial officer has engaged in conduct that violates the Arizona Code of Judicial Conduct or Article 6.1 of the Arizona Constitution. There must be clear and convincing evidence of such a violation in order for the Commission to take disciplinary action against a judicial officer.

The Commission does not have jurisdiction to overturn, amend, or remand a judicial officer's legal rulings. The Commission reviewed all relevant available information and concluded there was not clear and convincing evidence of ethical misconduct in this matter. The complaint is therefore dismissed pursuant to Rules 16(a) and 23(a).

Copies of this order were distributed to all appropriate persons on August 21, 2019.

I just had to watch my girlfriend be verbally attacked and insulted, by this so called " " was not informed or represented with her interest in mind at all. When she attempted to speak that to that man, he cut her off belittled her, and insulted her like he knows her to make such nasty comments. Hes a judge not a drug and alcohol therapist. She was solely looking out for the interest of her newly acquired license and career she is starting. These ridiculous charges come a later, INTERRUPTING our lives, and he thinks he has a right and nerve to input his two cents on her having an alcohol problem? You don't talk to people like that abusing your power on someone else's fear like that.

she spoke up, about not fully understanding what she agreed to, and was disregarded like she was not worth hearing. She wanted to withdraw her plea, for having poor representation and forced into a plea by her attorney, because his exact words were " " That is completely a lie, and i want a complaint on as well. He told us not to seek a REAL DUI attorney in this extreme case like we wanted to. He never answered our calls or emails, and provided us with wrong information based off his own external beliefs.

has no major criminal record, and is a brand new resident unfortunately. if wasn't a sack of redneck racist garbage she might of had a chance. i do not appreciate the lies or disrespect displayed to her. she worked her ass off week and school. NOBODY knows her to speak about her like that based off of your funky little papers and wording it says. You destroy peoples lives daily over the pettiest stuff, then think somebody care about your " " No they dont. I hope the so called honorable sees this. Yea she missed some days, boo hoo! But she passed all the rest. WE HAVE LIVES that dont include this unwanted invasive stay you've taken into our lives. she does not deserve this. these charges are bogus, just like that blood test. she wasn't even high! A real lawyer could've handled this better from the beginning now shes being insulted on top of being falsely represented? I dont take to that to well, you didnt hear me today but you will see this one day. You need to check your professionalism. And if you really care do much about people like you claim to be with these ridiculous pre trial services agreements lying Get your lilly white ass off the bench and go clean up your streets where the REAL addicts are and pass em out like a mormon bible. THEY NEED them. THEY need help. I hope YOU have family that can come take care of you. YOU the one with the problem. Think you some top notch judge? You sit on a raggedy bench in a raggedy court house in writing tickets for Pot, and light rail violations. your job sucks, but you chose it, so do it with class next time. Dont ever talk to her like that again while shes asking for help. I will take a contempt charge or be escorted out i dont care. You dont scare me. Just because you a judge dont make you no better than anybody else or give you no power over anybody life to talk to them like that. you dont know her AT ALL. and can shove there little fabricated data where the sun dont shine.
