**ORDER**

September 25, 2019

The Complainant alleged a superior court judge was prejudiced against her, denied her “fair hearings,” and made improper rulings in a family law matter.

The role of the Commission on Judicial Conduct is to impartially determine whether a judicial officer has engaged in conduct that violates the Arizona Code of Judicial Conduct or Article 6.1 of the Arizona Constitution. There must be clear and convincing evidence of such a violation in order for the Commission to take disciplinary action against a judicial officer.

The Commission does not have jurisdiction to overturn, amend, or remand a judicial officer’s legal rulings. The Commission reviewed all relevant available information and concluded there was not clear and convincing evidence of ethical misconduct in this matter. The complaint is therefore dismissed pursuant to Rules 16(a) and 23(a).

Commission member George H. Foster, Jr. did not participate in the consideration of this matter.

Copies of this order were distributed to all appropriate persons on September 25, 2019.

**Name:** \_\_\_\_\_ **Judge's Name:** \_\_\_\_\_

**Instructions:** Use this form or plain paper of the same size to file a complaint. Describe in your own words what you believe the judge did that constitutes judicial misconduct. Be specific and list all of the names, dates, times, and places that will help the commission understand your concerns. Additional pages may be attached along with copies (not originals) of relevant court documents. Please complete one side of the paper only, and keep a copy of the complaint for your records.

I \_\_\_\_\_ filed for divorce in \_\_\_\_\_ I have not been provided fair hearings in my divorce case nor fair judgments regarding the custody of my son \_\_\_\_\_ which is still pending in \_\_\_\_\_ Court \_\_\_\_\_ Arizona. Judge \_\_\_\_\_ has prejudice against me from a previous divorce attempt in \_\_\_\_\_ of which he was my judge at that time as well. Judge \_\_\_\_\_ has blatantly ignored facts presented in front of him and has solely gone on rumors that my soon-to-be-ex-husband perjures himself on court documents. I am currently having to pay visitation cost to see my son while on disability when there are no grounds to have ever taken him from me in the first place other than rumors and perjury.

I respectfully request that my divorce case be put in front of a new judge in a new courtroom closer to where I live and where I will get a fair hearing, justice, and decisions made in the best interest of my son

Dear Commission,

I request a judicial review on my pending family court case [Judge Court]

Lis Pendens

Used separate property assets to purchase real estate in

Spouse signed a disclaimer with advise from the title company giving up the his [ ] rights to the property.

In current action before Judge all documents were filed, the Judge was asked to release Lis Pendens [piece of property]:

because had no legal basis to file the Lis Pendens in the first place----False Filing, Fraud, Perjury

Husband [ filed Lis Pendens on separate property [

, AZ] and also on the entire subdivision of unit  
effecting all the home owners in unit preventing them from selling their property.---- False Filing, Fraud, Perjury

Nothing was done by the Judge [ ] to my knowledge or advised by my attorney [

I lost a buyer [ ] for my home after all the paper work was done and the property was  
ready to close.

This whole fiasco must be investigated, and all the facts must be review, action must be taken.

I believe the judge was biased against me.

My husband and I purchased a Franchise around In my dissolution before Judge my attorney filed a  
motion for an accounting and to produce the books from the managing administrators. No accounting was received, no records,  
no valuation, just threats from corporate. Judge ordered the asset sold without any financial- information being given to  
me. Again, I believe his honor is biased against me because of my prior designation of status which has been decertified,  
this past year

There are many more instances of what I believe is bias or discriminatory actions.
