COMMISSION ON JUDICIAL CONDUCT

Disposition of Complaint 19-280

Judge:

Complainant:

ORDER

November 20, 2019

The Complainant alleged a superior court judge failed to report illegal activities to the proper authorities.

The role of the Commission on Judicial Conduct is to impartially determine whether a judicial officer has engaged in conduct that violates the Arizona Code of Judicial Conduct or Article 6.1 of the Arizona Constitution. There must be clear and convincing evidence of such a violation in order for the Commission to take disciplinary action against a judicial officer.

The Commission does not have jurisdiction to overturn, amend, or remand a judicial officer's legal rulings. The Commission reviewed all relevant available information and concluded there was not clear and convincing evidence of ethical misconduct in this matter. The complaint is therefore dismissed pursuant to Commission Rules 16(a) and 23(a).

Commission member George H. Foster, Jr. did not participate in the consideration of this matter.

Copies of this order were distributed to all appropriate persons on November 20, 2019.

This is an old case and I do not want to re-argue the voluminous violations of court rules on the part of two Judges in _____ county. (unless this commission would like to do so). I lost my life savings of _____ plus due to the corrupt behavior by the two judges and their good old boy buddy lawyers after only _____ of marriage to _____ who has never shown a life time earning of more than _____ and who has been fraudulently collecting welfare for years. I have only recently recovered financially while Ms _____ continues to collect welfare and hide assets from the State and Federal Government. It seems that since Judge _____ now knows about this crime that, as a Judge, he should report it.

Letter to Judge

Dear Judge

You may not remember this case. It involved a long drawn out divorce between _____ and _____ Judge _____ was the original Judge assigned to the case but after being admonished by the _____ and retaliating against me by forcing me to accept a baseless Decree of Dissolution of Marriage, he recused himself. You then were assigned to the case.

I attempted to get you to Reconsider the Decree but ran into the same issues I had with the previous Judge. It appears that the cesspool of Lawyers and Judges in your jurisdiction pay very little attention to the law and court rules and are only there to support each other. I had many issues with the court and its good old buddy _____ to include:

1. You allowed an attorney to appear that was not attorney of record,
2. _____ allowed _____ and _____ to empty all of my bank accounts in the beginning after an order was issued that no party was allowed to do that. _____ simply said that its been done so let's let it go. I had no money for representation.
3. You would not enforce my demand for _____ to produce her lifetime Social Security Records that, at that time, showed her lifetime earnings to be less than _____. The decree gave her both of my houses that were purchased with pre-marital funds: records of which I provided to the court. You and _____ both accepted the fact that she invested something into the houses. She had nothing to invest and the marriage was only _____
4. You allowed _____ to disappear with my daughter who I didn't see for _____

The Ethical issues and bad conduct among lawyers and judges in the case are numerous. However, I do not want to get into another court battle. I just want to set the record straight due to a situation that came up this week.

My Daughter _____ is getting married. She has invited me to the wedding in _____
texted me and said she was funding the wedding to the tune of _____ and that if I didn't send her
_____ I am not invited. (I guess it's her wedding) It is amazing to me that someone collecting welfare
and only allowed _____ in assets can come up with _____ for a wedding. It is easy for Ms
to fund the wedding since your court gave her my life savings of _____ and left me with nothing. It is
just this year that I have financially recovered but _____ is way beyond what I can afford.
It should be noted that Ms _____ has never held a job and has been collecting Social Security
Disability and Medicaid for years. It is obvious that Ms _____ has hidden her assets with the help of
_____ (Lawyer in _____ since SS and Medicare only allow minimum assets. _____ has hidden
her property investment at _____ and other things under _____ This statement I found in
public records: "_____"

Additionally, when I started collecting Social Security (Legally _____) I petitioned the court to stop the Order
of Assignment for child support of _____ and allow my daughter to collect _____ month from Social
Security. _____ and _____ argued against getting my daughter more money. Obviously, she would
be unable to hide the support money and it would count against her welfare. I was fortunate that you
assigned the petition to an honest Judge. It is my opinion that Judge _____ after listening to
_____ argument, thought it was absurd and granted my request.
You are now aware that _____ is involved in Social Security and Medicare fraud. As a
Judge, I believe you have an obligation to disclose this illegal activity to the proper authorities even though
it is outside of your jurisdiction. Even though I will never be made whole due to the failures in your court,
you now have the opportunity to make things right. I would hope that you feel ethically compelled to do so.

Respectfully,
