

State of Arizona
COMMISSION ON JUDICIAL CONDUCT

Disposition of Complaint 19-383

Judge:

Complainant:

ORDER

February 27, 2020

The Complainant alleged a superior court judge discriminated against her because she was self-represented.

The role of the Commission on Judicial Conduct is to impartially determine whether a judicial officer has engaged in conduct that violates the Arizona Code of Judicial Conduct or Article 6.1 of the Arizona Constitution. There must be clear and convincing evidence of such a violation in order for the Commission to take disciplinary action against a judicial officer.

The Commission does not have jurisdiction to overturn, amend, or remand a judicial officer's legal rulings. The Commission reviewed all relevant available information and concluded there was not clear and convincing evidence of ethical misconduct in this matter. The complaint is therefore dismissed pursuant to Commission Rules 16(a) and 23(a).

Commission members Denise K. Aguilar, Roger D. Barton, Colleen E. Concannon and George H. Foster, Jr., did not participate in the consideration of this matter.

Copies of this order were distributed to all appropriate persons on February 27, 2020.

COMPLAINT AGAINST A JUDGE

Name: _____ Judge's Name: _____

Instructions: Use this form or plain paper of the same size to file a complaint. Describe in your own words what you believe the judge did that constitutes judicial misconduct. Be specific and list all of the names, dates, times, and places that will help the commission understand your concerns. Additional pages may be attached along with copies (not originals) of relevant court documents. Please complete one side of the paper only, and keep a copy of the complaint for your records.

I do not have an attorney, cannot afford an attorney. CASE NO:
I have spent hours on line trying to learn how to do procedures correctly.
No matter what I do, file must do responses or lose case. I receive
a slap on the face from Judge _____ because some known only to a trained attorney procedure
was incorrect, and my motions disregarded.

I am a born and raised _____ entitled to fair justice. I do not expect to have a self grandiosing
judge that does not seem to be able to disconnect court procedures with truth.
Judge _____ has Ruled, MEs, and Orders of INSULTS, ACCUSATIONS, WARNINGS, and
THREATS to me.
Please see case _____ responses/orders to me.

I have filed a motion with the court on _____ requesting an attorney be appointed to me because
it is obvious Judge _____ is not capable of reading and evaluating anything that is not perfectly
spaced on paper. Judge _____ is so biased against self litigants that cannot afford attorneys
that he cannot properly evaluate the case.

Facts and TRUTH should rule a case not some self important judge.

I have also filed an Appeal on _____ if _____ had actually read any of my court filed papers
of actual facts and truth exhibits instead of sending me his pissy insults. I believe his judgment was
incorrect because every order plaintiff requested granted (plaintiff self rep. atty) because my motions were
procedurally
incorrect according to _____ they were ignored.

Judge _____ needs to be replaced with a judge that is less full of himself and is actually capable of
meeting justice without clown acts.

No matter what procedures the COURT makes TRUTH is the LAW.
