**ORDER**

February 27, 2020

The Complainant alleged three superior court judicial officers are improperly asserting jurisdiction over him as a sovereign citizen.

The role of the Commission on Judicial Conduct is to impartially determine whether a judicial officer has engaged in conduct that violates the Arizona Code of Judicial Conduct or Article 6.1 of the Arizona Constitution. There must be clear and convincing evidence of such a violation in order for the Commission to take disciplinary action against a judicial officer.

The Commission does not have jurisdiction to overturn, amend, or remand a judicial officer's legal rulings. The Commission reviewed all relevant available information and concluded there was not clear and convincing evidence of ethical misconduct in this matter. The complaint is therefore dismissed pursuant to Commission Rules 16(a) and 23(a).

Commission members Denise K. Aguilar, Roger D. Barton, Colleen E. Concannon and George H. Foster, Jr., did not participate in the consideration of this matter.

Copies of this order were distributed to all appropriate persons on February 27, 2020.

Now my complaint starts by informing the Arizona Commission of Court Judges conduct are being, and I comprehend that being, and lastly I comprehend that I may be the 1<sup>st</sup> to issue complaints about these judges. Now before I get into details I want to reveal my understanding, Arizona is a women's state, and here stands a "Black man" accused of committing a "Domestic violence" crime. Women in Arizona that made the decision on many cases as such, (1) thinking I'm already guilty and (2) thinking this is a normal public person case. Furthermore I tells you "NO!!" this is nothing more but a malicious and jealous complaint on me. Even further I mention I am part of a Sovereign Nation, which is called being a I exercise my Sovereignty. Federal Rules of Civil Procedures Rule 12(b) has been violated and not upheld by the law. I have so little connection with the district, and I am not states property nor am I in States jurisdiction being that I did not "harm" or "kill" someone only blamed. I mentioned to all judges that seen me in this matter that I am of this society. Everyone involved in this case went against me and my Nation saying that the Sovereignty of the mean nothing. Because the authorities still have me held in bondage knowing that I'm not proved guilty in this matter. Now here is where I reveal my complaints/story.

On \_\_\_\_\_ I was present in \_\_\_\_\_ Court  
at this time a Court appointed attorney represented me in my  
meeting in front of \_\_\_\_\_ I informed her  
that I am a \_\_\_\_\_ and \_\_\_\_\_ Court or State of  
Arizona has no jurisdiction over my living soul or private human being.  
She argued that this argument of mines is not true or valid, now  
it is the U.S. constitutional preamble to establish justice which  
was not respected or honored. To remind a bit some thing  
happened with \_\_\_\_\_ there was no great evidence  
indicating a crime or harm to a person on their soil but kept me  
held in Slavery or bondage which is prohibited. Now fast forward  
to \_\_\_\_\_ I was present in court in front of  
for an \_\_\_\_\_ and still here I am held in Slavery involuntary and not convicted of  
any crime only blamed. Nothing happened but a continuance on this day amongst  
other things. So we get to the month of \_\_\_\_\_ the judge  
entertained or helped with the crime of perjury, fraud, and  
lying under oath, the prosecutor in this case  
or her advocated typed a staged letter to hinder my release on (PTS)  
It was a typed letter that \_\_\_\_\_ had and said it was from a  
\_\_\_\_\_ & I can prove it wasn't. \_\_\_\_\_ entertained this letter & denied  
my release because of this. This is a disgrace to judicial power & authority, they  
also dishonored the U.S. constitution. please look into this matter w/ precaution.
