**ORDER**

March 25, 2020

The Complainant alleged a city court judge did not afford her an opportunity to be heard.

The role of the Commission on Judicial Conduct is to impartially determine whether a judicial officer has engaged in conduct that violates the Arizona Code of Judicial Conduct or Article 6.1 of the Arizona Constitution. There must be clear and convincing evidence of such a violation in order for the Commission to take disciplinary action against a judicial officer.

The Commission does not have jurisdiction to overturn, amend, or remand a judicial officer's legal rulings. The Commission reviewed all relevant available information and concluded there was not clear and convincing evidence of ethical misconduct in this matter. The complaint is therefore dismissed pursuant to Commission Rules 16(a) and 23(a).

Copies of this order were distributed to all appropriate persons on March 25, 2020.

Court

I was never allowed to tell my side of the story, plead guilty or not guilty or offered the right to a hearing or a trial. I am not guilty of this and from life skills is under investigation as well. and I believe would have testified for me, I would like this investigated. Thank you.
