The Complainant alleged a pro tem justice of the peace conducted a hearing in an unprofessional and haphazard manner.

There must be clear and convincing evidence of such a violation in order for the Commission to take disciplinary action against a judicial officer.

Canon 1 from the Arizona Code of Judicial Conduct states in rule 1.2 That a judge shall act at all times in a manner that promotes public confidence, and shall avoid impropriety and the appearance of impropriety. Conduct that compromises or appears to compromise the independence, integrity, and impartiality of a judge undermines public confidence in the judiciary. If you Google _____ you will see that he is a former

_____ County Sheriff and that he was involved in a huge case involving _____ County having to pay out \$ _____ to a deputy that _____ tried to railroad and lie about under oath.

Canon 2.4 states that a judge shall not convey or permit others to convey the impression that any person or organization is in a position to influence the judge. Organizations such as the _____ Club join the "upper _____ and give them the opportunity to rub elbows and make the "good old boys" system of justice what it is today, a joke.

Canon 4 states when a person becomes a judicial candidate, this canon becomes applicable to his or her conduct. A successful judicial candidate is subject to discipline under the code for violation of any of the rules set forth in Canon 4, even if the candidate was not a judge during the period of candidacy. The fact that _____ ied under oath and it is a matter of public record in _____ should be enough in itself to censure _____ Not only is he incompetent, after he awarded both parties compensation in the case, the defendant sent a letter asking why such amounts were awarded and responded by telling the defendant and I that it was basically none of our business how he came up with the awarded amounts.

I am including highlights from _____ com where I found multiple instances where other county employees talked about _____ and his incompetence. _____ is a nightmare to our judicial system here in _____ City and is not capable of doing his job as a magistrate/judge.

#11 and textbook in the same sentence? That's funny in and of itself. He heads the list of guys who should have never gone beyond sergeant based on illiteracy alone. Unfortunately, there have been so many promotions to LT and above of individuals who would not qualify under a real promotion system that the department is going to be handicapped for many years until these guys retire.

NONYMOUS ON

@15

That's a good point, you got me there, barely made it past the cat n the hat.

Now was at station when this scandal broke wide open. get's promoted to Captain and goes to Station as commander.

He had to CLEAN OUT that station that was full of inept employees.

There is one witness who heard say the "fix is in" when the indictments came down. He was as happy as a lark knowing ONLY certain people would take serious heat behind this scandal.

What do I see when I go to the hearing. sitting in the hearing room with his former boss

Will be called to the witness stand to tell everyone was right there beside him repeating the benefits of this scandal?

We shall see.

I'm not sure it was ever a game as it was about GUTS!!!! If it was about loyalty to . all I can say that to was a big FARSE!!!!

If anyone should have been removed from that t should have been

The big nail driven into the coffin was after [redacted] and others had DUG THEIR HOLE in their testimony. They all really believed that had a CHANCE to win this massive cover-up.

Plenty of contradictions, out right lies, had already been established, especially when the right hand wasn't telling the left one what was going on. TYPICAL [redacted] management style.

Others decided to point a finger here or there, put blame or directions giving on others. That opened up a cans of worms for others more than once.

NO BODY could get the story's straight.

But everything kept coming back to [redacted] and [redacted] for the most part, ya know the BOSSES?

So the CIRCULAR FIRING squad was firing at will, killing the HELL out of each other, THEN emails show up and that made things WORSE for all the defendants.

Just ONE of many examples of the lies, was when [redacted] was asked by [redacted] attorney looking for one answer, but the question was ASKED in many different ways with ONLY one possible answer.

Talk about getting set up, it was a CLASSIC!!

Well [redacted] answered "NO" to the questions. [redacted] was shown an email written by HIM, that just made him a LIAR in the first degree.

YEA, it was as cool as, have you ever used the "N" word?

Then one or more emails had YouTube video links at the bottom of emails.

Both [redacted] and [redacted] were MADE to watch those videos in the [redacted] in front of all present in that room.

And with regards to the witness reference to [redacted] is he/she going to testify in this hearing. I would think that is a major issue to show disparity when handing out disciplines. Let's see you're firing my client for issues regarding the POST issue and you are promoting others?

Not to mention after [redacted] called b.s. on the citation issue and wanted to see the originals to verify his signature, ALL OF THE ORIGINALS we're MIRACULOUSLY LOST. ASK PAPA [redacted] OR [redacted] ow that happened...

Put something up [redacted] you lying tool. [redacted] did.

@12

Your assuming [redacted] can read, and that is assuming a lot!! I read some of those memo's wrote, WHOA, 1 IQ point above retard. The only thing [redacted] got right was when he sent out the email stating [redacted] "will make us look stupid"... He sure did, probably wasn't hard though..... I bet [redacted] missed that memo too.

Don't forget a Dufus [redacted] who can't spell or write and has to have someone triple check his work

Or a pin head like [redacted] Another real tool

Then there's [redacted] Big [redacted] who finally left us alone [redacted] who couldn't balance a piggy back

He and [redacted] walking hand and stupid hand

Captain [redacted] and his minions with the blessings of Sheriff [redacted] lid just that to You read the Memorandum of Facts I hope.

has sadly evolved into those like Capt [redacted] is sharp as a marble and as dumb as an ox. You can't fix stupid. Sorry. It just can't happen.

This wave will hopefully pass before [redacted] is so tarnished that they ONCE again become a revolving door for officers to get their post and to happily move on to a more professional agency.

"R" is absolutely right about this command staff.

[redacted] watcha gonna do, watcha gonna do when the news is out on you?

Oh, and [redacted] feel free to check my facts, example, ask [redacted] or [redacted] how retarded [redacted] is..... go ahead dufus, ask.... I am sure they can tell you about his memos and how on top of his grammar he is..... NOT!!!!

1. Mr. [redacted] is permanently incapacitated for the performance of duties and disability retirement be granted.
2. Mr. [redacted] disability is Service-Connected based on [redacted] therefore, grant a Service-Connected disability benefit.
3. Staff shall initiate disability benefit payments with an effective date of [redacted] the day after the last day of regular compensation.
