**ORDER**

April 9, 2020

The Complainant alleged a superior court judge ignored his pleas for help.

The role of the Commission on Judicial Conduct is to impartially determine whether a judicial officer has engaged in conduct that violates the Arizona Code of Judicial Conduct or Article 6.1 of the Arizona Constitution. There must be clear and convincing evidence of such a violation in order for the Commission to take disciplinary action against a judicial officer.

The Commission reviewed all relevant available information and concluded there was not clear and convincing evidence of ethical misconduct in this matter. The complaint is therefore dismissed pursuant to Commission Rules 16(a) and 23(a).

Commission member Gus Aragón did not participate in the consideration of this matter.

Copies of this order were distributed to all appropriate persons on April 9, 2020.

Judge ignored Requests for hearings and other correspondence to him concerning Requests to be heard in issues involving violations of the law and out right ignored Petitioners claims of misconducts that allowed illegal misconduct to occur which in return allowed Complainant to suffer cruel & unusual conditions of confinement and violations of the law, like assaults and other types of abuses.

Judge was in a position to intervene if not obligated by law to act yet Judge did nothing Judges failer to hear, act, or Report has allowed to this day violations of law and of the Constitution to continue to occur.
