Disposition of Complaint 20-024

Judge:

Complainant:

**ORDER**

April 16, 2020

The Complainant alleged a pro tem municipal court judge improperly required him to attend classes as part of his sentence.

The role of the Commission on Judicial Conduct is to impartially determine whether a judicial officer has engaged in conduct that violates the Arizona Code of Judicial Conduct or Article 6.1 of the Arizona Constitution. There must be clear and convincing evidence of such a violation in order for the Commission to take disciplinary action against a judicial officer.

The Commission does not have jurisdiction to overturn, amend, or remand a judicial officer's legal rulings. The Commission reviewed all relevant available information and concluded there was not clear and convincing evidence of ethical misconduct in this matter. The complaint is therefore dismissed pursuant to Commission Rules 16(a) and 23(a).

Copies of this order were distributed to all appropriate persons on April 16, 2020.

Mr

As noted in the earlier email, the Commission cannot open a file without the full name of the judicial officer you are complaining about. Therefore, until that is provided, the Commission will be taking no action on this email. Thank you.
