

State of Arizona
COMMISSION ON JUDICIAL CONDUCT

Disposition of Complaint 20-027

Judge:

Complainant:

ORDER

May 21, 2020

The Complainant alleged that a superior court commissioner made improper rulings in a child custody matter.

The role of the Commission on Judicial Conduct is to impartially determine whether a judicial officer has engaged in conduct that violates the Arizona Code of Judicial Conduct or Article 6.1 of the Arizona Constitution. There must be clear and convincing evidence of such a violation in order for the Commission to take disciplinary action against a judicial officer.

The Commission does not have jurisdiction to overturn, amend, or remand a judicial officer's legal rulings. The Commission reviewed all relevant available information and concluded there was not clear and convincing evidence of ethical misconduct in this matter. The complaint is therefore dismissed pursuant to Commission Rules 16(a) and 23(a).

Commission member Colleen E. Concannon did not participate in the consideration of this matter.

Copies of this order were distributed to all appropriate persons on May 21, 2020.

I didn't agree with the
Judges orders for custody between
and I. He fairly
went into court saying I abuse
my daughter or any of my kids
there is no proof of him saying
all the things he went to court
and said. He's doing and lying
on me because he is not in the
home. When I had put
out of the home he told me
that he was going to make
sure I will never get to see
my daughter and that he was
going to get her taken off of
me. He is not stable he is
bouncing from house to house
and women to women with
my daughter. I've been abuse
by him for yrs he has
domestic violence cases from
me and other women. he came
into court saying I abuse my
baby and gave her a mark on her

leg and I didnt that day he took her there wasnt nothing wrong with her he was mad I was talking to a guy and then my baby ended up in the hospital. He does alcohol and smoke weed he cant keep a job to care for my daughter. I havent done nothing wrong for me to not have the rights to my child. I am a good mother I never had problems until I met him I should of walked away along time ago. He has been lying to the judge but yet still wants to have sex with me and be in the home with us. I feel like he is taking over my life and my baby because he has the rights I have sum concerns that I wrote. He on probation and can go back to prison any day if he messes up.

Mother Concerns

I am concern as her maternal parent for the emotional stability of my daughter. I'am concerned that she will be able to maintain her emotional stability.

Meaning:

When she gone out of my care for months and days and weeks or when return from visits with father she cries and clinging to her siblings.

She acts different like she don't know us anymore, and that can be confusing to her. I haven't seen since

I had spoke with father concerning disciplinary actions with raising our daughter.

Meaning: Hitting her on her legs and yelling constantly.

I am concerned about my daughter environment and living arrangements.

Meaning: No stable address him buying house to house exposing to different women in the caring of my daughter.

I am concerned that his probation officer stated that one more strike he could be absence in my daughter life.

My concern is father leaving my child with women. I spoke with his ex who dated for _____ in 1984/85 who is Ms _____ I spoke with her approximately _____ and she told me that her and her mother

Cared for my daughter because he was unemployed at the time and he was also calling me for clothe and food for her far as I know it has been me and his parents taking care of personal needs since she been born.

When father get mad at mother he take the child away and leaves to go be with another women to get back at mother

The reason why I dont think father should be the sole parent of decision making is because of my concerns I have the fact that if he cant control me or the situation he takes my daughter away from me and these siblings and that is not fair. We both should be able to come up with best for matter in a positive matter.
