COMMISSION ON JUDICIAL CONDUCT

Disposition of Complaint 20-066

Judge:

Complainant:

ORDER

June 18, 2020

The Complainant alleged that a municipal court judge “has screwed the Government and myself out of money.”

The role of the Commission on Judicial Conduct is to impartially determine whether a judicial officer has engaged in conduct that violates the Arizona Code of Judicial Conduct or Article 6.1 of the Arizona Constitution. There must be clear and convincing evidence of such a violation in order for the Commission to take disciplinary action against a judicial officer.

The Commission does not have jurisdiction to overturn, amend, or remand a judicial officer’s legal rulings. The Commission reviewed all relevant available information and concluded there was not clear and convincing evidence of ethical misconduct in this matter. The complaint is therefore dismissed pursuant to Commission Rules 16(a) and 23(a).

Commission member Denise K. Aguilar did not participate in the consideration of this matter.

Copies of this order were distributed to all appropriate persons on June 18, 2020.

Twice now, _____ has screwed the Government and myself out of money. The first case _____ The first one had a cost of _____ got a check for _____ Judge _____ was in dereliction of duty. They did not want to keep track of years of restitution from the person who backed over me with a car. That case was in _____ He was protecting the hack job surgery from Medical Center, who let me walk around with puss leaking out of my arm for almost a year. Now he has gotten together with _____ Regional Medical Center Administration and has fabricated a sexual, threatening case against me, claiming that I harassed the hospital. Interesting, coming from a feminine functioning man. I hired Attorney _____ to help repair the damages from Judge _____ and _____ Regional Medical Center. The case was fabricated to cover up that I had been to _____ times, near death and _____ times they misdiagnosed _____ and complications of life long spinal damage, from an Attempted Murder situation, that happened after a surgery at _____ Medical Center. In attempts to cover up their failure, they decided to break HIPPA laws. They allowed my medical records to be altered and added a huge amount of new health problems and diseases to my record, along with covering up my certified letter asking for resolution of this cover up and black balling of my medical care. They also stupidly sent me a letter admitting that they had complications with my records, which were fraudulently written too. As these and many hospitals are in trouble for Medicare Fraud and Damages to patients, ect. The front page of the _____ showed many hospitals and these hospitals showed Medicare Fraud. After almost dying from heart meds given to me for the stress of this near death experience, I was served with an Order of Harassment at _____ at _____ I also heard through the grapevine, they also harassed my mother, tenants, and friends, trying to serve this Order, with a Mafia style police delivery service. With the kind of greeting they gave to the people I know, this was a criminal attempt by _____ and _____ to scare me. so that I would not to turn this situation in. I hired Attorney _____ from _____ and _____ had letters, pictures, letters to Medical Center, altered records, police records. On the day of the hearing, _____ could not come up with one single legitimate piece of evidence. _____ decides that we are just going to leave this one, with cocky attitude. _____ broke out in a major sweat. He took myself and the witness to a separate room and said this case is "homegrown". Funny thing about _____ a short time later, he tells me that he forgot to pay his license and that he had to remove himself from the case and would replace himself with a partner, that never happened. I wrote _____ a letter saying that I am waiting to hear from the replacement. This also never happened. I believe _____ was lying to me. What good is a Justice System, when a small town Judge, can scare off an Attorney, in a state wide cover up for these criminally functioning hospitals. I had another attorney ask for the Court Records of that day and they claimed, that they didn't have any. For these reason, I am turning _____ into your agency and Health and Human Services. I expect full cooperation, because no one wants a criminally functioning Judge and dangerously flawed hospitals, which is known statewide at this point. According to _____ Law, they report that Arizona is the most corrupt state and _____ County has a _____ conviction rate. Arizona has built themselves a nationwide reputation of corruption. Even though, I believe _____ was threatened with his license and told to drop the case. I have also put a complaint on him too, as he witnessed a crime. He was unwilling to report the criminal activity of this court by Judge _____ That is why I am reporting _____ and _____ for what they have done.

_____ chose to let crime prevail.
