

State of Arizona
COMMISSION ON JUDICIAL CONDUCT

Disposition of Complaint 20-084

Judge:

Complainant:

ORDER

July 2, 2020

The Complainant alleged a pro tem justice of the peace made improper rulings in a protective order proceeding.

The role of the Commission on Judicial Conduct is to impartially determine whether a judicial officer has engaged in conduct that violates the Arizona Code of Judicial Conduct or Article 6.1 of the Arizona Constitution. There must be clear and convincing evidence of such a violation in order for the Commission to take disciplinary action against a judicial officer.

The Commission does not have jurisdiction to overturn, amend, or remand a judicial officer's legal rulings. The Commission reviewed all relevant available information and concluded there was not clear and convincing evidence of ethical misconduct in this matter. The complaint is therefore dismissed pursuant to Commission Rules 16(a) and 23(a).

Copies of this order were distributed to all appropriate persons on July 2, 2020.

I want to get help changing the special district;
road committee laws;
so that this doesn't happen to retirees.

There has to be a limit; a stop gap; a protection;
of residents in subdivisions.

Otherwise; you have a : who attracts followers;
for money and power; and abuses everyone that brings concerns.

has put in hours of electronic communications;
over the course of months now.

I am not willing to let this special district;
road committee; problem; continue.

And how can a this person brag about faking a letter of termination; on ! ..in order to produce a
fake citation?

The focus is the dates from
to the REGISTERED Mail complaint to post office;
which did not issue a citation on...

THE RUSE:
causing anger and a fake letter from p.o. master and plaintiff.
to the p.o. letter (

The contempt is all a duplicate of the exhibits;
incl the duplicate faked p.o. letter.

THANK YOU...hope this narrows down all the mountain of data.
If you focus only on hearings; fina through p.o. letter

To deputies:

Documents written by plaintiff for the duplicate case contempt. Put all the dots together.....when did not issue a citation for the REG MAIL complaint to post office, ...WHICH WAS A REG MAIL SETUP, because "in writing ' was so mad"...as states...she produced the letter alluding to contract loss, due to their mutual anger. notions for more time due to simultaneous lawsuits REPEATING, and denied by chewing gum... ALL MOTIONS DENIED, ALL OBJECTIONS OVER RULED, judge states time continuance for moving out of from the daily videoing and auto following from plaintiff NOT A FACTOR. It just got worse from there. during , newest lawsuit hearing, , tried to present the as BRAND NEW EVIDENCE and in contempt of court. I told judge he letter GENERATED the citation, and was on tape .."look at this letter letter never caused to lose his contract w post office, it just MISLEADS as implying was lost the post office contract... NOT SO, that was months ago... used REG MAIL complaint, when did not call The post office itself, wouldn't take the REG MAIL customer complaint, and used it as entrapment, from orders...instead of assisting w a customer call on serial repeat REG MAIL... all the dots got connected in written proof and chronology on contempt

go in there, don't focus on dog and pony show... I stand up... I have my paper w bullet lines... And I go bullet but bullet JUST LIKE A BOOK REPORT Have 2 copies of what u want the court to record. I GO IN DAYS BEFORE HEARING AND AT PM I SUBMIT THE DOCS I WANT THE JUDGE TO READ BEFORE TRIAL....JUST....JUST....JUST BEFORE TRIAL...2 COPIES AT THE WINDOW INTO THE CASE #. Listen this man is evil he did everything he could to put me in jail if I was not a person of deep prayer I would be in jail and he would still be adding to my jail time he has home did me for over both he and falsified the letter of new mechanic AND CALLS TO SHERIFF BOTH FALSE DOCS AND STATEMENTS...but he lies so much...u catch him in his lies. BE STRONG, STAND UP, DON'T LISTEN TO lying the entire time in every hearing of the courts of

I can talk or text on You need to take this sociopath serious, he is very mentally ill. I have been to court times. The citation is being dismissed but psycho keeps fighting. The letter was a fake, he has confessed that now. The issue is many...incl. why psycho is still litigating at all. Given his lies in court are too many. Psych does this for attention This is fun to psycho to go into court like Why he hasn't been stopped is because everyone in refused to help me a neighbor because they don't want court visits.

The reason why this problem is important is because it is state wide... for the entire State of Arizona...counties are dropping their maintenance\$\$\$ of subdivision roads... and turning road responsibility maintenance on to the residents... RESIDENTS REFUSE TO BE RESPONSIBLE and most people have poor adult communication skills, ...residents cannot self govern.... the state of arizona and the county has to strengthen bylaws in special districts and road maintenance districts to protect residential life, to prevent theft of road taxes, to prevent outlaws in rimd's, to prevent hostile dictators that misappropriate road taxes, and to prevent industrial from ruining residential...THE LAND IN IS RESIDENTIAL NOT INDUSTRIAL...overnight when stan chaffin moved in..the other neighborhood became a junk yard ghetto...a takeover... takeover...HIGH SPEED RECKLESS DRIVING, DOGS left out in yards, dogs BARKING EVERYWHERE ALL THE TIME, BRIGHT SPOT LIGHTS, CAMERAS, and a total disregard for any other neighbors...A LORD OF THE FLIES HOSTILE SLUM... for a retiree Arizona is a destination of disaster. AZ is a retirement state

The county attorney was requesting a copy of the complaint you allegedly made to the Post Office. Since we never responded whether we objected, the County Attorney filed a motion and requested a hearing to address the issue. Unfortunately, the judge granted the motion and set the hearing before Judge

I informed the county attorney that I would be filing a motion for a change of judge because Judge has been hearing all of motions. Additionally, I do not understand why they would even set a hearing for a motion that the judge already granted.

I think it is time to contact and in tandem file judicial conduct complaints on to incl conflict of interest w call when he could have helped, from having been petitioned for help for years

has been less than just. They are unable to produce a looks like to me...and they don't want to request from IG ...makes them look despotic, ...and no all this litigation can't be good for as a contractor...lawsuits doesn't make good contractor relations w corporate. USPS has little to gain. Only postmaster letter fraud and bizarre despot business behaviors....can gain...by making them look responsible...instead of unreasonable.

LOOK HOW BIZARRE this is...does anyone believe is threatened by does anyone believe s firing Or ever intended to? I think another judge is as important as my choice to have withdraw for a female publicdefender...you...if we could get a woman judge even...we do have them right? ..The adjudicator was a woman..she saw right thru the money scheme

I am in a very fragile vulnerable exposure now, on my new home now...due to this relative of lawsuits....he could try and join the drama too to try and benefit for him or his son. I believe both and would attempt to obtain monetary damages, SOMEhow. they would attempt to lien the sale of land for sale, for example. NOW, the fact that the parents to chaffin s lawsuits, right hand man .. happens to be one of my NEW REMOTE miles back on cul-de-sac dirt roads... REMOTE neighbors, we are miles back.. Already this father is disgtunted, is rattling his saber.... STOPPING ME ON THE ROAD EVERYTIME HE HAPPENS TO BE OUT, arguing... now I know he is related..to the group. Bad news to have a relative from maybe clowning around and wanting monetaryawards.... would hand it all over without a blink. I don't know why alligence to the pony express over the land owner who owns the land and roads

almost had a foaming fit order show cause, contempt of, Because my word doc, edit 7 BILL OF RIGHTS allowing petitions to govt...to exposed to also GOV and A.G., caused o withdraw counsel...and was chewing gum the whole time, threatening to hold me in contempt if I spoke out of turn again

original IAH expired Now final-amended iah expires. is pre filling in order to justify a renewal of his iah THRU

I wanted to object that only IG email complaints can be substantiated from the group complaints w because were always w backup emails attached to: IG EMAIL. I can call by om?ish.... probably applying a lot of pressure because countered w fraud against both and his

let me try and get the complaints of IG together. We have _____ When I looked at _____ the
content was not different so much within...copy pastes of _____ and rewords, by
or another _____ those already listed. Neighbor comments from _____
or a couple other neighbors w _____ as listed. I DON'T THINK
THE _____ IS ABOUT CONTENT...I THINK THEY WANT TO PROVE I _____ IT...THEY CAN NOT...IT
HAD THE _____ GROUP AS THE COMPLAINANTS.

VOICETEXT...""I was eating my breakfast and _____ forest service man were talking about the post office
about how the mail carrier jeeps have started driving faster than they've ever seen them driven ...and the
other _____ service guy was saying my mail is mixed with other peoples for some reason my mail has gotten
continually messed up....""

I want you to help drive this problem ALL THE WAY to correction within AZ and it's counties... There has
to be a stop to self created govts, thru road control... There has to be stop gaps in the code bylaws for
spec districts rimd's for ALL AZ..to Stop industrial damages to retired residential subdivisions. So you can
live in peace on your own land and roads.

rather startling development... _____ of my _____ neighbors is appearing to be the son of
right hand rimd follower... _____ The one listed on survey threats and the one incl in
counter claim of embezzlement and misappropriated taxes.. as far as my new neighbor who
is his father and mother.here...where I am developing. .. AT LEAST NO ONE WANTS A 3 LANE DIRT
TURNPIKE here.... There are enough trespassers already.... so ONLY WIDENING FOR _____ blows
up the speeders and trespassers...a one track is safest against SPEEDS increasing from 15 mph to
35mph... and preventing the weekend hunters and drivers racing through...so I am safe from
industrialized dirt roads for now...PLUS I AM OFF THE GRID...THAT HELPS...except for
trspassers...hunters...etc... so at least _____ father doest want 3 lanes where I now am developing
for final retirement...the bad news is this drone of _____ and _____ may inherit the father's
acres. At least the son doesn't appear to live here w his father now. But the father tipped me off as a new
neighbor and said, _____ got permission for all work he did in _____ so father must know some part of
it. No doubt he would back his son, but I think I can play it poker faced and avoid getting entangled by this
father's politics....as long as the 4 neighbors want a 1 track...peace and quiet from trspassers is safer. I
am _____ miles behind and inside no trspassing...but still there are trespassers.... I just have to hope this son
of my new neighbor doest ruin where I just moved...The father seems to believe ANYONE can do
Anything and nothing can stop it ..like father like son. but all the 4 neighbors live like me...quiet as a
graveyard.that is my current insurance now...but see how we in AZ need protection from industrial
invasion and takeover. I border nature conservancy so that is a plus too. Maybe the father knows his son
is a drone.

THE FATHER NEEDS TO KNOW _____ IS WRONG THAT'S NOT ALL YET..... My _____ year auto
mechanic and friend _____ knew _____ in _____ because _____ worked for a _____ brother
uncle in _____ wouldn't interview _____ for work when he came out to AZ...
and that is not all... _____ was my new neighbors neighbor also...FOR _____ .. this father and son
So I have GOOD REFER ALL from _____ and this father neighbor, has a son
entangled in fraud in my old neighborhood... I looked for _____ years, trying to buy where I now am.there is
no land available out here...my family bought it for me....after over _____ of negotiating... .. Now... What
could the odds have been to put me neighbors w a relative of _____ right hand man on
_____ ? I believe the universe must want this corrected....to play such a joke on me...God does not...I
believe this must mean...the problem is for me to drive all the way to correction ..this road govt county
district govt unto itself self declared loophole for outlaws.

THAT'S NOT ALL YET..... My year auto mechanic and friend knew in because worked for a brother uncle in wouldn't interview for work when he came out to AZ... and that is not all... was my new neighbors neighbor also...FOR YRS... this father and son .. So I have GOOD REFER ALL from and this father neighbor, has a son entangled in fraud in my old neighborhood...

Remember too; I worked in computer security, since and I take computer forensics as necessary...because someday I may be able to deploy again, a top secret w is part of my work front line w jammers or explosive technologies. So I require forensic proof to protect my life's career. said she filed ? counter suits w her answer to survey expenses in smallclaims...misappropriated funds, ?imbezz? It must be working because I got "the LONG-voicemail" w no voice again...that happens when stan loses a few round
