**ORDER**

July 23, 2020

The Complainant alleged a justice of the peace was biased against him and relied on hearsay in making his ruling.

The role of the Commission on Judicial Conduct is to impartially determine whether a judicial officer has engaged in conduct that violates the Arizona Code of Judicial Conduct or Article 6.1 of the Arizona Constitution. There must be clear and convincing evidence of such a violation in order for the Commission to take disciplinary action against a judicial officer.

The Commission does not have jurisdiction to overturn, amend, or remand a judicial officer's legal rulings. The Commission reviewed all relevant available information and concluded there was not clear and convincing evidence of ethical misconduct in this matter. The complaint is therefore dismissed pursuant to Commission Rules 16(a) and 23(a).

Commission member Michael J. Brown did not participate in the consideration of this matter.

Copies of this order were distributed to all appropriate persons on July 23, 2020.

Judge \_\_\_\_\_ was not ethical when I presented facts, and the defendant only presented no receipts only his opinion. The defendant did not present any signed receipts by me or anyone else. The judge accepted hearsay that we not truth. The defendant claimed he did \_\_\_\_\_ hours worth of dirt work when he was only here part of an afternoon. He had no signed receipt from me. I repeatedly ask for receipts he gave me none. The judge always accepted what \_\_\_\_\_ was had to say. The judge was totally bias which is unethical. A judge like \_\_\_\_\_ should not be a judge. Judge should adhere to facts not someones opinion. I presented how \_\_\_\_\_ scanned me and never did the work. I still do not have water since he promised me that he will install

a new well pump. ~~did~~  
bring some of the material. He promised  
for over months he would install the  
pump. Finally I took him to court.  
The judge let me out  
of nearly ~~thousand~~ dollars.  
I am sitting here with no  
running water & no money to have  
someone else install a pump.  
However Judge advised  
me to take it to the Superior Court.  
I asked him where should I get the  
money? All he could say he would  
mail me the paperwork to take it to  
the Superior Court. That was about  
ago. I never received the  
paper work.  
Like my neighbor said there is no  
justice for the. I agreed that  
I commended there will be justice, when  
we stand before God.
